Broadridge to Join S&P 500

Released : 06 13 2018

Fintech leader enabling corporate governance, powering capital markets, growing wealth managemen

NEW YORK, N.Y. – June 13, 2018 – Broadridge Financial Solutions, Inc. (NYSE:BR), a global fintech leader, will be added to the S&P 500® Index at the opening of trading on Monday, June 18, 2018.

"We are honored to join the important companies that comprise the S&P 500," said Rich Daly, CEO of Broadridge. "This reflects the recognition by the investment community of the importance of the work we do to power investing, governance and communications through leading technology-driven solutions. It is also an enormous testament to the hard work and dedication of our associates, our focus on our clients and our commitment to the service-profit chain."

Broadridge technology links investors with issuers, funds and broker-dealers to enable corporate governance worldwide, and its capital markets, asset management and wealth management technology platforms power the trading of more than $5 trillion a day. The firm's data-driven technology enables efficiency across the entire financial supply chain to help its clients address today's challenges and prepare for tomorrow.

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators and the S&P 500® is widely regarded as the best single gauge of large-cap U.S. equities.

About Broadridge

Broadridge Financial Solutions, Inc. (NYSE:BR), a $4 billion global fintech leader, provides investor communications and technology-driven solutions for broker-dealers, banks, mutual funds and corporate issuers globally. Broadridge's investor communications, securities processing and managed services solutions help clients reduce their capital investments in operations infrastructure, allowing them to increase their focus on core business activities. With over 50 years of experience, Broadridge's infrastructure underpins proxy voting services for over 50 percent of public companies and mutual funds globally, and processes more than $5 trillion in fixed income and equity trades per day. Broadridge employs approximately 10,000 full-time associates in 16 countries.
