# IPG Photonics Corporation to Announce Second-Quarter 2016 Financial Results on July 28

***Conference Call to be Webcast Live at 10 a.m. ET***

OXFORD, Mass.--(BUSINESS WIRE)-- IPG Photonics Corporation (NASDAQ: IPGP) announced today that in conjunction with its scheduled quarterly financial results news release, Chairman and Chief Executive Officer Dr. Valentin P. Gapontsev and Senior Vice President and Chief Financial Officer Timothy P.V. Mammen will host the Company's second-quarter 2016 financial results conference call on Thursday, July 28, 2016 at 10:00 a.m. ET.

To listen to the live call, please visit the "Investors" section of IPG's website or dial (877) 407-5790 or (201) 689-8328. An archived webcast will be available for one year on the Company's website.

**About IPG Photonics Corporation**

IPG Photonics Corporation is the world leader in high-power fiber lasers and amplifiers. Founded in 1990, IPG pioneered the development and commercialization of optical fiber-based lasers for use in diverse applications, primarily materials processing. Fiber lasers have revolutionized the industry by delivering superior performance, reliability and usability at a lower total cost of ownership compared with conventional lasers, allowing end users to increase productivity and decrease operating costs. IPG has its headquarters in Oxford, Massachusetts, and has additional plants and offices throughout the world. For more information, please visit www.ipgphotonics.com.
