NEWS RELEASE

Lithium Americas Celebrates Humboldt County Businesses During Small Business Saturday and Beyond

2024-11-29

- Meeting at the Boys Girls Club of Winnemucca.
- Orovada Sawtooth Station II.
- (L: Richard and Winnemucca team at Chihuahuas Nov 2024. R: Maria at Brew 95)

Saturday, Nov. 30, 2024 is **Small Business Saturday** – a day to celebrate and support small businesses and all they do for their communities. Small Business Saturday has become an important part of small businesses' busiest shopping season. The day infuses money back into our local economies, promotes vibrant and diverse communities, and celebrates the important role of small businesses in the national economy.

Please join Lithium Americas and organizations across the country in supporting your local small businesses this Small Business Saturday, into the holiday season and beyond. When you support a local business, you're also supporting your neighborhood, town or city by way of paying sales tax. Sales tax revenue supports public schools, parks, roads and sidewalks, and funds public service workers, such as firefighters.

Lithium Americas is committed to engaging with and working closely with our local communities to sustainably drive economic growth. Lithium Americas is grateful for all the businesses we work closely with in Humboldt County, northern Nevada as we develop Thacker Pass.

We have established relationships with various property owners as we expand in both Winnemucca and around Humboldt County, including:

- For the Winnemucca Office, we are leasing from Javier Rivera.

- For the housing, we are sub-leasing rooms for lodging from Midas House, and have purchased land from Schommer Properties, LLC for the Workforce Hub in Winnemucca.
- For the Transload Terminal in Winnemucca, we leased land near the airport from the City of Winnemucca and purchased land for ingress and egress from Stitzer Properties.
- To help support Thacker Pass, we have purchased a ranch in Orovada and a ranch located near Thacker Pass.

Lithium Americas also has a number of signed agreements in place to receive on-going services from local businesses, including:

- Allied Universal Security
- Best Western Plus Gold Country Inn
- Big G Construction
- Brew 95
- Desert Disposal
- Empire CAT
- Gamma Electric
- Hunewell Construction
- Les Schwab
- Norco Industrial
- PDQ Auto Center
- Rango Broadband
- Ruby Mountain Natural Spring Water
- The Cleaning Fairy
- United Rentals
- Wade Distributing

We look forward to continuing to build on relationships we've established in Winnemucca and the surrounding communities, as well as forming new relationships as we advance towards production at Thacker Pass. Since 2019, we have conducted business with many, including:
