About Sachem Capital Corp.

Sachem Capital Corp. is a mortgage REIT that specializes in originating, underwriting, funding, servicing, and managing a portfolio of loans secured by first mortgages on real property. It offers short-term (i.e., three years or less) secured, nonbanking loans to real estate investors to fund their acquisition, renovation, development, rehabilitation, or improvement of properties. The Company's primary underwriting criteria is a conservative loan to value ratio. The properties securing the loans are generally classified as residential or commercial real estate and, typically, are held for resale or investment. Each loan is secured by a first mortgage lien on real estate and is personally guaranteed by the principal(s) of the borrower. The Company also makes opportunistic real estate purchases apart from its lending activities.
