FLAGSTAR BANK, N.A. ANNOUNCES \$250 MILLION SHARE REPURCHASE PROGRAM

Board of Directors Authorizes Repurchase of Up to \$250 Million of Outstanding Common Stock, Reflecting the Bank's Strong Capital Position and Commitment to Long-Term Shareholder Value

HICKSVILLE, N.Y., July 24, 2026 – Flagstar Bank, N.A. (NYSE: FLG) (the "Bank") today announced that its Board of Directors has authorized a common stock repurchase program under which the Bank may repurchase up to \$250 million of its outstanding common stock over the next 12-month period.

Commenting on the repurchase program, Joseph M. Otting, Executive Chairman and Chief Executive Officer stated, "We are pleased to announce our stock buyback program, which reflects the meaningful progress we have made in executing our strategic plan, the strength of the balance sheet, and Flagstar's long-term growth prospects. We have consistently maintained capital levels well above regulatory requirements, and we believe that returning capital to our shareholders through a share repurchase program represents a compelling and disciplined use of our excess capital at this time.

"We remain deeply committed to serving our customers and communities and we are confident that this program — alongside our continued investment in our people, products, systems, and technology — will deliver sustainable, long-term value for our shareholders."

Repurchases may be conducted through open-market purchases, which may include purchases under a trading plan adopted pursuant to Securities and Exchange Commission Rule 10b5-1, or through privately negotiated transactions. The timing and exact amount of any share repurchases will be subject to a variety of factors, including the availability of stock for repurchases, the Bank's capital position and financial performance, regulatory considerations, and general market conditions. The share repurchase program does not obligate the Bank to acquire any specific number of shares and may be modified, suspended, or discontinued at any time without prior notice. Any future stock repurchase programs would be subject to the approval of the Board of Directors and other various

factors, including the Bank's liquidity, capital position and financial performance, accounting and regulatory considerations, and general market conditions.
