State Street Named Multiple Winner at 2024 ETF Express Awards

BOSTON, October 25, 2024

State Street Corporation (NYSE: STT) announced today its recognition as a leading provider for the ETF industry at the 2024 ETF Express Award. The service provider awards are nominated and voted for by peers, and issuers. This year, State Street has been honored with five prestigious awards, including:

- Best ETF Back Office Tech Provider
- Best ETF Middle Office Tech Provider
- Best Overall ETF Administrator
- Best ETF Administrator – Equity ETFs
- Best ETF Administrator – Fixed Income ETFs

“These accolades highlight State Street’s dedication to delivering innovative and reliable solutions for clients navigating the evolving ETF landscape, and we are incredibly honored to be recognized in multiple categories at this year’s ETF Express Awards,” said Donna Milrod, chief product officer at State Street. “We are thrilled to have been nominated by and voted for by both industry peers and issuers, and each of these awards underscores our firm’s ongoing commitment to providing industry leading ETF servicing solutions.”

“2024 has been a record year for State Street regarding ETF new business onboarding, with 10 new clients launched, or in the process of launching, ETFs for the first time. The managers of these funds, with more than \$2.5 trillion of total client assets, have a track record of growth,” said Frank Koudelka, global ETF product specialist for State Street. “We are proud to support the growth of ETFs through our robust front, middle and back office solutions, providing our clients with the tools they need to meet their own objectives.”

For over 30 years, State Street has continuously innovated to support what has become a \$14.5 trillion ETF marketplace. Today, State Street is the largest ETF administrator in the world with close to 2,900 ETFs serviced and a total of more than \$6 trillion in assets in 13 countries and provides fully integrated global ETF servicing capabilitiesⁱ. State Street’s ETF servicing business allows clients to engage easily and efficiently with the growing ETF market by leveraging its efficient proprietary technology and global operating model. State Street’s solutions enable clients to launch ETFs that align with industry best practices at every stage, regardless of structure or model.
