ZIM to upgrade its Greece Turkey Service (TGX)

4/13/2017

ZIM is pleased to inform an upgrade of the Greece Turkey Service (TGX) which will deploy three 1700 TEU's vessels starting May 2017, in the following rotation:

- Haifa
- Ashdod
- Antalya
- Istanbul
- Izmit
- Gemlik
- Istanbul
- Piraeus
- Thessaloniki
- Izmir
- Haifa

In addition to expanded port coverage, customers will benefit from secured windows in Haifa (Monday) & Ashdod (Wednesday), and fast transit time from Thessaloniki and Izmir to Israel, particularly suited for the refrigerated trade.
