NEWS RELEASE

ZIM updated Asia - Pacific North West product as from April 2020

2/12/2020

ZIM is pleased to announce its updated Asia-Pacific North West product to commence April 2020*:

ZP8 (ZIM Pacific Procyon) new rotation:

Nansha – Yantian – Shanghai – Busan – Yokohama – Prince Rupert - Vancouver

ZIM Pacific Procyon service (ZP8) rotation will include South China ports, enabling improved transit time and additional advantages, including:

- Enhanced connection between Pearl River Delta and Pacific North West with the new Nansha Call and a 2nd weekly call at Yantian
- Improved transit time for US & Canada exports to the Far East
- Added second call at Vancouver
- Xingang and Qingdao will continue to enjoy a smooth connection to PNW within our own network

ZP9 (ZIM Pacific Pollux), Our second Asia - Pacific North West service, continues with no change:

Kaohsiung - Xiamen - Yantian - Ningbo - Shanghai - Pusan - Vancouver - Seattle - Yokohama - Pusan - Kaohsiung

Nissim Yochai, EVP Pacific BU: “Our Asia-PNW service is updated aligning to market demand with improved rotation and transit time. As always, we offer a fast and reliable service with excellent connections to inland destinations, along with ZIM’s signature personal customer service.”
