NEWS RELEASE

ZIM’s New Central America- Caribbean Service (CCS)

8/1/2019

ZIM is pleased to announce a new service between Mexico, Caribbean and Central America, commencing on the second half of August, with the following rotation:

Veracruz - Altamira - P. Cortes - Santo Tomas - Kingston - Rio Haina - San Juan – Kingston – Veracruz

ZIM will operate 3 vessels in a weekly, fixed-day service offering the fastest transit time and best product in the region:

- From Mexico to Dominican Republic
- From Mexico to Puerto Rico
- Connecting USEC & Canada to Mexico, Guatemala (and El Salvador) & Honduras
- Improved dedicated fixed-day service from Mexico to Caribbean and Central America markets
- Competitive transit time from Central America to Dominican Republic and Puerto Rico

The new CCS service joins our extensive portfolio of services in Central America & the Caribbean, connected and synchronized with ZIM’s major global trades including the Cross Atlantic & Trans-Pacific Services.
