Vontier 2025 Sustainability Report Highlights Significant Progress on Safety, Environment and Innovation

2025-05-16

RALEIGH, N.C.--(BUSINESS WIRE)-- **Vontier Corporation** (NYSE: VNT), a leading global provider of critical technologies and solutions to connect, manage and scale the mobility ecosystem, announced today the release of its **2025 Sustainability Report**, highlighting the strong performance of the company from the past year.

"Our 2025 Sustainability Report showcases how Vontier prioritizes safety and well-being, fosters a culture of innovation, and develops smart, sustainable solutions for our customers and the world," said Katie Rowen, SVP and Chief Administrative Officer, Vontier. "I am extremely proud of our global team and what we've accomplished on behalf of our stakeholders."

Key highlights from the 2025 Sustainability Report include:

- **Recognition and Achievements:** Vontier continued to earn global recognition for its corporate impact, including one of America's Most Responsible Companies by Newsweek and one of the World's Most Sustainable Companies by TIME, showcasing leadership in sustainability and corporate impact. Vontier was also awarded the International Safety Awards 2024 Distinction Winner by the British Safety Council, recognizing the company's best-in-class safety program.
- **Environmental Progress:** All manufacturing sites achieved ISO 14001 certification ahead of schedule. Vontier also achieved a 40% reduction in absolute Scope 1 and 2 greenhouse gas emissions from its adjusted 2020 baseline.
- **Safety and Well-Being:** Vontier continued to drive a best-in-class employee health and safety program, achieving its five-year safety performance milestones ahead of schedule. This includes days away restricted or transferred (DART), which was 0.23 in 2024 with a 2026 target of 0.28, and total recordable incident rate (TRIR), which was 0.31 in 2024 with a 2026 target of 0.34.

- **Learning and Development:** Vontier launched its Sustainability Leadership Development Program, to empower team members to become champions of sustainability within the organization.
- **Innovative Solutions for a Multi-Energy Future:** Vontier continued to help customers navigate the energy trilemma - sustainability, affordability and security. Vontier's multi-energy solutions support gas, electric, CNG/RNG, biogas and hydrogen fueling.
- **Community Engagement:** Employees engaged in over 9,200 volunteer hours, reflecting Vontier's focus on making a meaningful impact in its communities and driving positive change.
