# Vontier Expands India Innovation and Technology Footprint, Opens New State-Of-The-Art Capability Center in Bengaluru

2025-01-29

Company adds to recently opened engineering center, adding 70 employees to create new innovation, AI and technology hub

RALEIGH, N.C.--(BUSINESS WIRE)-- **Vontier Corporation** (NYSE: VNT), a leading global provider of critical technologies and solutions to connect, manage and scale the mobility ecosystem, announces the grand opening of its state-of-the-art Bengaluru Capability Center, adding additional space and capabilities to the engineering center it opened in Bengaluru in 2024.

Vontier Expands State-Of-The-Art Capability Center in Bengaluru, India (Photo: Business Wire) The engineering hub, which **opened** less than one year ago, brought 250 highly skilled professionals into Vontier. Adding the Capability Center brings an additional 70 employees, with expansion plans in place for up to 500 employees.

Capability Center employees will serve Vontier and its businesses to accelerate innovation, AI and technology initiatives.

"The opening of this center is further proof of the role India plays for our growing global software needs," said Mark Morelli, President and CEO, Vontier. "The talent here is world-class and this expansion demonstrates just how valuable the Vontier India team has been to our customers and our organization."

With approximately 8,100 employees and a broad global footprint, Vontier's strategic technology centers are located in Houston, USA; Auckland, New Zealand; Tel Aviv, Israel; Florence, Italy; Buenos Aires, Argentina; and Bengaluru, India.
