# DISCLAIMERS

Statements in this presentation concerning The Ensign Group's ("Ensign" or the "Company") future prospects are forward-looking statements based on management's current expectations, assumptions and beliefs about our business, financial performance, operating results, the industry in which we operate and possible future events. These statements include, but are not limited to, statements regarding our growth prospects and future operating and financial performance. They are not guarantees of future results and are subject to risks, uncertainties and assumptions that could cause our actual results to materially and adversely differ from those expressed in any forward-looking statement.

Readers should not place undue reliance on any forward-looking statements and are encouraged to review our periodic filings with the Securities and Exchange Commission, including our recently filed Forms 10-K and 10-Q, for a more complete discussion of the risks and other factors that could affect Ensign's business, prospects and any forward-looking statements. These documents are available on our website at [www.ensigngroup.net](http://www.ensigngroup.net). This information is provided as of today's date only, and except as required by federal securities law, Ensign does not undertake to publicly update or revise any forward-looking statements, whether as a result of new information, future events, changing circumstances or for any other reason after the date of this presentation.

We supplement our GAAP reporting with EBITDA, adjusted EBITDA, adjusted EBITDAR, adjusted EBT, adjusted net income, adjusted EPS, Funds from Operations (FFO) metrics as well as segment income and FFO metrics shown as if the formation of Standard Bearer Healthcare REIT, Inc. occurred in comparable prior periods, which are supplemental non-GAAP financial measures. They reflect an additional way of looking at aspects of our operations that, when viewed with our GAAP results, provide a more complete understanding of factors and trends affecting our business. They should not be relied upon to the exclusion of GAAP financial measures. A more ample discussion of these GAAP financial measures is available on the "Investor Relations" tab of our website and a reconciliation to GAAP is included as an appendix to this presentation.

During this presentation we may reference operations in any or all of the transitional, skilled and assisted living operations and other businesses operated by our subsidiaries. Each such business is operated as a separate, wholly-owned independent operating subsidiary that has its own management, employees and assets. References in the presentation to the consolidated "Company" and "its" assets and activities, as well as the use of the terms "we," "us," "our," and similar verbiage are not meant to imply that The Ensign Group, Inc. has direct operating assets, employees or revenue, or that any of the Operations, the Service Center, Standard Bearer Healthcare REIT, Inc., or the captive insurance subsidiary are operated by the same entity.
