

# Broadridge Completes Acquisition of CQG, Unlocking Globally Connected, Multi-Asset Trading Solutions

2026-05-01

Expanding Global Futures and Options Trading with end-to-end Capabilities

NEW YORK and LONDON, May 1, 2026 /PRNewswire/ -- Global Fintech leader **Broadridge Financial Solutions**, Inc. (NYSE: BR), announced today that it has completed its acquisition of **CQG**, a leading global provider of futures and options trading, execution management, and market connectivity.

The acquisition enhances Broadridge's trading and connectivity capabilities by adding complementary execution management, algorithmic trading, and analytics solutions to its existing order management and client connectivity platform. Together, the combined offering delivers an integrated, end-to-end trading solution across futures and options markets globally.

CQG's capabilities expand Broadridge's ability to serve a broad range of clients, including FCMs, institutional investors, retail brokers, proprietary trading firms, CTAs, and hedge funds, with flexible and scalable solutions designed to support growth, accelerate speed to market, and improve the overall trading experience.

The acquisition further advances Broadridge's multi-asset innovation strategy including FX and Digital assets. By combining CQG's agile development capabilities with Broadridge's global scale, the company is positioned to accelerate the delivery of new functionality and drive sustained value creation for clients worldwide.
