"We're pleased to honour Broadridge with an Innovation Award for extending corporate governance through proxy voting and disclosure, recognising the multiple new services introduced globally," said Jonathan Watkins, Managing Editor of Global Custodian. execution service to 20 of the world's largest markets, with more to follow in 2022 and 2023.

"We are delighted to be recognised for our role in transforming and accelerating global corporate governance standards for the benefit of all participants throughout the investment communications lifecycle," said Demi Derem, general manager of International Investor Communication Solutions at Broadridge.
