

Broadridge Named One of FORTUNE Magazine's 2017 'World's Most Admired Companies'

Released : 02 16 2017

LAKE SUCCESS, N.Y., Feb. 16, 2017 /PRNewswire/ -- FORTUNE® magazine has named Broadridge Financial Solutions, Inc. (NYSE:BR) to its 2017 list of the World's Most Admired Companies in the category of financial data services. The FORTUNE list, considered one of the leading measures of corporate reputation among the world's largest companies, rates companies on a range of criteria, from investment value to global competitiveness and innovation.

Broadridge is a global fintech leader that provides communications, technology, managed services, data and analytics solutions to financial firms in capital markets, wealth management, asset management and corporate issuers across multiple industries. With more than 50 years of experience, Broadridge is focused on helping its clients transform their businesses by providing solutions that help them enrich client engagement, optimize efficiency, generate growth and navigate risk.

"At Broadridge, we are focused on our clients and staying at the forefront of driving technological change and innovation in the financial industry, and this recognition from FORTUNE reflects that commitment," said Richard J. Daly, president and chief executive officer, Broadridge. "It's an honor to be recognized for the value we deliver, which can be credited to our dedicated and talented associates who continue to earn the trust of our clients each and every day."

This is the fourth time Broadridge has been named a FORTUNE Most Admired Company in the financial data services category. The company is frequently recognized by industry organizations for its business and employer leadership. Broadridge has been named one of the "Best Places to Work for LGBT Equality" for five consecutive years by the Human Rights Campaign Foundation and was also ranked among the 30 "Best Companies to Work for in New York State" for nine consecutive years by the New York State Society for Human Resource Management.

About FORTUNE World's Most Admired Companies list

Each year, FORTUNE magazine partners with the Hay Group to survey financial analysts as well as top executives and directors from FORTUNE 1000 and Global 500 companies to identify companies that have the strongest reputations overall and within their individual industry segments. Companies are rated on innovation, people management, use of corporate assets, community and environment social responsibility, quality of management, financial soundness, long-term investment value, quality of products or services and global competitiveness.
