The Committee may delegate any of its responsibilities to any such subcommittee so long as

such delegation is not otherwise inconsistent with law and applicable rules and regulation of the SEC, NYSE, or the Investor Rights Agreement.

Notwithstanding the foregoing, the Committee is not responsible for certifying the Company's financial statements or guaranteeing the independent auditor's report. The fundamental responsibility for the Company's financial statements and disclosures rests with management while the independent auditor is responsible for conducting the annual audit in accordance with the standards of the Public Company Accounting Oversight Board (the "PCAOB").

V. RESPONSIBILITIES AND DUTIES

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be required or appropriate in light of business, legislative, regulatory, legal or other conditions or changes. The Committee's discussion in this regard may be general in nature (i.e., discussion of the types of information to be disclosed and the type of presentation to be made) and need not take place in advance of each earnings release or each instance in which the Company may provide earnings guidance. The Committee shall also discuss with management other significant financial information to be provided to analysts or rating agencies.

B. Independent Auditor

1. Be directly responsible for the appointment, evaluation, compensation, retention, oversight and, if appropriate, termination and replacement of any independent auditors engaged (including the resolution of disagreements between management and such firm regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company. The Committee may, in its discretion, seek stockholder ratification of the public accounting firm selected to be the Company's independent auditor.

 - iv. Take into account the opinions of management and the Company's internal auditors (or other personnel responsible for the internal audit function).
5. The Committee shall engage in an active dialogue with the independent auditor concerning any disclosed relationships or services that may impact the objectivity and independence of the auditor and take, or recommend that the Board take, appropriate action to oversee and ensure the independence of the auditor.
 6. At least on a quarterly basis or as otherwise determined by the Committee, inquire from the independent auditor whether the Company's financial statements have been selected by the PCAOB for inspection. The Committee shall be apprised on a "real time" basis of any material developments in connection with this inspection.
 7. Obtain from the independent auditor assurance that the Section 10A(b) of the Exchange Act has not been implicated.

C. Financial Reporting Process

 3. The Committee should review periodically the effect of regulatory and accounting initiatives, as well as off-balance sheet structures (if any), on the financial statements of the Company.
 4. The Committee shall establish with the independent auditor an understanding of the terms of the audit engagement, the role of the auditor with respect to the Company's financial statements and coordination of audit efforts to ensure completeness of coverage, reduction of redundant efforts, the effective use of audit resources and the use of accounting firms other than the appointed auditors of the Company. The Committee shall review the scope of the annual audit or interim review (including the level of involvement with unaudited quarterly or other interim-period information), and discuss the results, including, without limitation, the independent auditor's report and all matters required to be communicated to the Committee by the independent auditor in accordance with applicable auditing standards.
 5. The Committee shall discuss with the independent auditor, before the issuance of the audit report, the overall auditor strategy, including the timing of the audit, significant risks the auditor identified and significant changes to
