BENCHMARK ELECTRONICS APPOINTS RHONDA TURNER AS CHIEF HUMAN RESOURCES OFFICER

7/8/2019

TEMPE, Ariz., July 8, 2019 /PRNewswire/ -- Benchmark Electronics, Inc. (NYSE: BHE), a global provider of manufacturing, engineering and design services, today announced the appointment of Rhonda Turner as chief human resources officer (CHRO), effective immediately. In this role, Turner will lead all aspects of human resources, including talent acquisition and development, organizational design and effectiveness, compensation and benefits, diversity and inclusion, and human resources business operating systems.

"Rhonda has demonstrated her ability to align people strategy with business strategy in companies going through transformations," said Jeff Benck, president and CEO, Benchmark Electronics. "Her understanding of global business and skill at partnering across the organization will be key to driving a high performance organization for the next phase of growth for Benchmark. I am excited to add a leader of Rhonda's caliber to my team and expect her to serve as a change agent in our organization."

Rhonda Turner

Turner brings over 20 years of experience into this role and most recently served as senior vice president of human resources for Universal Technical Institute, Inc. Prior to that, she held various human resources leadership roles at leading companies such as ConocoPhillips, Circle K and Main Street Restaurant Group, a TGI Friday's franchisee. Turner holds a Bachelor of Science in management from the W.P. Carey School of Business at Arizona State University. She is a licensed analyst in Predictive Index and holds her Certified Compensation Professional (CCP) designation from World at Work as well as multiple certifications in Korn Ferry's Leadership Architect and Interview Architect systems.

"I am energized to join a strong, innovation-focused culture. People are critical to Benchmark's future success and I am looking forward to teaming with the company's talented and diverse workforce to drive Benchmark's strategic

priorities forward," said Turner.
