BENCHMARK ELECTRONICS TO REPORT SECOND QUARTER 2020 RESULTS

7/22/2020

TEMPE, Ariz., July 22, 2020 /PRNewswire/ -- Benchmark Electronics, Inc. (NYSE: BHE) will announce its second quarter 2020 results on Wednesday, July 29, 2020, after the market closes. The Company will host a conference call to discuss the results later that day at 5:00 p.m. Eastern Time.

The live webcast of the call and accompanying reference materials will be accessible by logging on to the Company's website at www.bench.com. A replay of the broadcast will also be available until Wednesday, August 5 on the Company's website.

About Benchmark Electronics, Inc.

Benchmark provides comprehensive solutions across the entire product life cycle; leading through its innovative technology and engineering design services; leveraging its optimized global supply chain; and delivering world-class manufacturing services in the following industries: commercial aerospace, defense, advanced computing, next generation telecommunications, complex industrials, medical, and semiconductor capital equipment. Benchmark Secure Technology, a business unit of Benchmark, delivers custom rugged computer solutions, build-to-print and contract manufacturing services for military, aviation and industrial applications used in the harshest environments. Benchmark's global operations include facilities in seven countries and its common shares trade on the New York Stock Exchange under the symbol BHE.
