David L. Cummings, SVP and Chief Commercial Officer, Benchmark

David Cummings brings over 20 years of executive experience in global customer

management, supply chain transformation, and commercial operations. He has demonstrated success in leading multi-billion-dollar businesses, launching new market segments, and building partnerships across diverse industries. Most recently, Cummings served as VP General Manager at Flex, where he launched and scaled new market segments, secured significant new bookings, and orchestrated supply chain regionalization to enhance resilience.

"David Cummings embodies purpose-driven leadership and brings exceptional expertise that will accelerate our commercial strategy," said David Moezidis, Benchmark's President. "His proven success in global manufacturing and operational excellence, combined with an unwavering commitment to customer-centric innovation, will deepen the customer-obsession culture that defines Benchmark. I am confident David will build on our strong foundation and ignite the next chapter of growth and transformation as we continue to lead in innovation and customer excellence."

As Benchmark welcomes new leadership, the company remains dedicated to advancing its strategic vision and building on its legacy of innovation, operational excellence, and customer focus.

"I'm thrilled to join Benchmark at such a pivotal moment in its growth journey," said David Cummings. "Benchmark's commitment to innovation and building solutions that truly matter aligns perfectly with my passion for driving transformation that elevates performance and creates lasting impact. I look forward to partnering with this exceptional team to strengthen customer relationships and accelerate the next chapter of growth."
