

COMPANY
PROFILE

2024

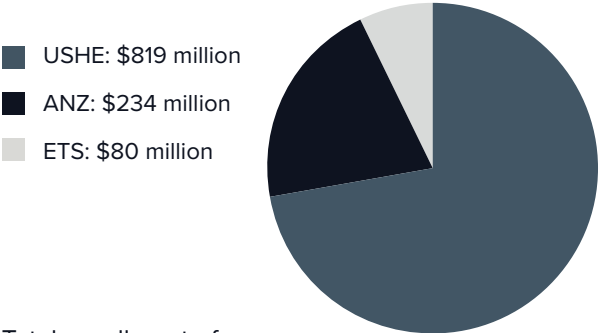

Strategic Education, Inc. (NASDAQ: STRA) is dedicated to helping advance economic mobility through higher education. Our portfolio of high-quality, innovative, relevant and affordable programs and institutions helps students prepare for success in today’s workforce and find a path to bettering their lives. We primarily serve working adult students globally through three core areas.

- **U.S. Higher Education (USHE)** includes Capella University® and Strayer® University, each institutionally accredited and collectively offering primarily online flexible and affordable associate, bachelor’s, master’s and doctoral programs; the Jack Welch Management Institute® at Strayer University; and nondegree web and mobile application development courses through Strayer University’s Hackbright® Academy and Devmountain®.
- **Education Technology Services (ETS)** encompasses Enterprise Partnerships, which develops and maintains relationships with employers for education benefits programs; Workforce Edge®, a full-service education benefits administration solution for employers; and Sophia® Learning, which offers low-cost online general education-level courses recommended by the American Council on Education® (ACE) for college credit.
- **Australia/New Zealand (ANZ)** comprises Torrens University, Think Education and Media Design School, which collectively offer certificate and degree programs in Australia and New Zealand.

Education Technology Services

Employer-affiliated enrollment was 27.7% of USHE enrollment as of December 31, 2023.

Employer Solutions

ETS is primarily focused on developing and maintaining relationships with employers for education benefits programs that provide employees access to affordable and industry-relevant training, certificate and degree programs. Employer relationships developed by ETS are an important source of student enrollment for Capella University and Strayer University. ETS also supports employer partners through Workforce Edge and Sophia Learning.

Workforce Edge

Provides employers a full-service, education benefits administration solution and connects employees to employer-assisted tuition programs. As of December 31, 2023, Workforce Edge had a total of 65 corporate agreements, collectively employing approximately 1,460,000 employees.

Sophia Learning

Provides over 60 low-cost online general education-level courses that are ACE-recommended for college credit. Partners with over 60 colleges and universities that have agreed to accept Sophia courses for transfer credit. Sophia has sent transcripts to more than 1,000 colleges and universities for review. For Q4 2023, Sophia had an increase in average total subscribers of approximately 44% from the same period in 2022.

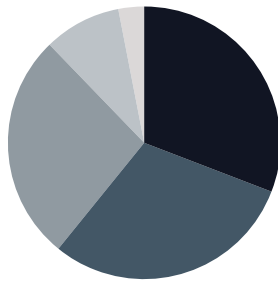

Australia/New Zealand

Total enrollment of 19,252 students as of December 31, 2023. Students served by 8 campus locations in Australia and New Zealand with instruction delivered online and on campuses.
