CHICAGO, Oct 31, 2011 (BUSINESS WIRE) --

Hyatt Hotels Corporation (NYSE: H) announced today the opening of Hyatt Regency Danang Resort and Spa on Vietnam's central coast. Conveniently located between Hoi An, a UNESCO world heritage site and the bustling city of Danang, Hyatt Regency Danang Resort and Spa is situated on an immaculate stretch of white sandy beach with views of the ocean and the magnificent Marble Mountains. The resort is a 15 minute drive from Danang International Airport.

"Vietnam is fast joining the ranks of the region's most popular tourist destinations as well as becoming an increasingly important center for business," said Willi Martin, Area Vice President, Hyatt Hotels & Resorts. "Hyatt Regency Danang Resort and Spa is the second Hyatt hotel in Vietnam, joining the award winning Park Hyatt Saigon, and we believe the resort will further strengthen our brand portfolio in South East Asia."

The contemporary design of Hyatt Regency Danang Resort and Spa is accented by Vietnamese-style architectural elements, and the hotel's 200 guestrooms feature modern design with oversized balconies and floor to ceiling windows. Additionally, there are 182 luxurious residences and 27 private Ocean Villas each with a private pool.

The wood furnishings bring a warm texture, and are coupled with stone from the iconic Marble Mountains. The dining room spills out to the terrace where guests can sit in a Vietnamese style basket boat while enjoying the view.

Other food and beverage offerings include Terrasse, the lobby lounge with indoor and outdoor seating; and Pool

House, which is adjacent to the main resort pool and serves lunch and cocktails in the evening.
