## Design and Guestrooms

Designed by the renowned architecture firm of John Portman & Associates, the modern, eight-story Park Hyatt Hyderabad includes 185 guestrooms and 24 suites on the first six floors with 42 serviced apartments on the two uppermost floors. Clad in natural Madurai granite from South India, the façade is clean and modern with expansive glass doors and windows, and an impressive porte-cochere with a shimmering steel mesh ceiling fixture. The impressive lobby is designed with sparkling water features and plants that surround the hotel’s signature 35-foot tall white, abstract sculpture.

The stylish and contemporary interiors, designed by the international design team Hirsch Bedner Associates, feature Indian motifs inspired by henna patterns, while silk and vibrant colors add a sari-inspired element to the decor.

Spacious, welcoming and modern, each of the hotel’s guestrooms are among the largest in Hyderabad, measuring at least 463 square feet/45 square meters. Soft, neutral earthy tones and shades of silver and green in the guestroom furnishings create a soothing ambience, while large glass windows add natural daylight within the room. For the convenience of the busy corporate traveler, each guestroom is equipped with oversized work desks, easy-to-use in-room technology and conveniently placed electrical outlets and light fixtures, while the luxurious bathrooms provide a sanctuary after a hard days’ work. These spa-style bathrooms feature oversized, free-standing bathtubs and Miller Harris amenities.

## Dining

Tastefully furnished, with generous touches of contemporary features, all restaurants at Park Hyatt Hyderabad are designed with interactive show kitchens, which are central to the guest experience. [Tre-Forni](#), the hotel’s signature restaurant, prepares light and flavorful dishes from Northern Italy’s Veneto, Lombardia and Liguria regions, in addition to pizzas and pastas. Offering communal traditional Italian-style dining as well as a private dining room, Tre-Forni’s extensive wine list features varietals from the Central and Northern Italian wine regions,

and the chef's use of many fresh ingredients from specific regions of Italy offers guests an authentic taste of Italy in Hyderabad. Furnished in muted earth tones, dark polished hardwood floors, and hand carved Italianate tiles; the restaurant has three rustic ovens, which are used to make fresh pizzas, grilled and baked dishes and breads. Other dishes, such as the restaurant's signature seafood and vegetarian risottos, are made and served from the colorful interactive kitchens at the center of the restaurant.

For a traditional Indian menu, the formal Dining Room offers light and flavorful Hyderabadi dishes and classic European favorites. For a light bite to eat, The Living Room offers the hotel's signature selection of freshly prepared macarons and other French pastries, as well as elegant Western and Indian-inspired high tea in the afternoon. The friendly and warm Oriental Bar and Kitchen is a gathering place to meet friends or business associates for drinks and tapas-style Southeast Asian comfort snacks and other dishes.

## Spa and Fitness Center

With treatments inspired by the royal Nizams of Hyderabad, The Spa offers hotel guests and local residents an enticing bouquet of result-oriented beauty and wellness therapies. The ingredients used in the creams and lotions include saffron, pearls and other exclusive items. Tailor made products from Good Earth and special selections from Aromatherapy Associates are available for spa services. The first place in the city to feature the "Hydra Facial" treatment, The Spa also offers other amenities including a Swedish sauna, steam room, beauty salon, and a fitness center featuring a temperature-controlled swimming pool and the latest gym and cardio equipment. For golf enthusiasts, Hyderabad Golf Course is just over five miles/nine kilometers from the hotel.

## Meetings and Events

Park Hyatt Hyderabad is the first hotel in India to feature Hyatt's innovative residential-style meeting concept. Named [The Manor](#) at Park Hyatt Hyderabad, the meeting facilities are designed in a comfortable and welcoming style to reflect the entertainment spaces of private homes.
