

Hyatt Hotels Corporation Holds First Investor Meeting

3/14/2014

CHICAGO--(BUSINESS WIRE)--Mar. 14, 2014-- Hyatt Hotels Corporation ("Hyatt" or the "Company") (NYSE: H) announced today that it is holding the first Investor Meeting in the Company's history.

Mark S. Hoplamazian , president and chief executive officer of Hyatt Hotels Corporation, said, "Since our initial public offering in 2009, Hyatt has continued to execute on its goal of becoming the most preferred brand in each customer segment that we serve. We have demonstrated high quality system growth, entered more than 70 new markets and doubled our base of executed contracts for future growth. We have effectively recycled capital and returned more than \$800 million to shareholders while maintaining a strong balance sheet."

Mr. Hoplamazian continued, "Looking ahead, we are well positioned with diverse tools to drive earnings, strong relationships and powerful brands to take advantage of the current lodging environment. We expect to deliver superior long-term growth while also returning capital to shareholders. Our differentiated model of driving preference among our colleagues, guests and owners will allow us to continue creating long-term shareholder value."

Forward-Looking Statements

Forward-Looking Statements in this press release, which are not historical facts, are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Our actual results, performance or achievements may differ materially from those expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by the use of words such as “may,” “could,” “expect,” “intend,” “plan,” “seek,” “anticipate,” “believe,” “estimate,” “predict,” “potential,” “continue,” “likely,” “will,” “would” and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Such forward-looking statements are necessarily based upon estimates and assumptions that, while considered reasonable by us and our management, are inherently uncertain. Factors that may cause actual results to differ materially from current expectations include, among others, the rate and pace of economic recovery following economic downturns; levels of spending in business and leisure segments as well as consumer confidence; declines in occupancy and average daily rate; if our third-party owners, franchisees or development partners are unable to access the capital necessary to fund current operations or implement our plans for growth; changes in the competitive environment in our industry and the markets where we operate; our ability to access the capital markets; the integration of acquired properties into the Company's systems; the impact of an imbalance in acquisitions and dispositions; and other risks discussed in the Company's filings with the U.S. Securities and Exchange Commission, including our Annual Report on Form 10-K, which filings are available from the SEC. We caution you not to place undue reliance on any forward-looking statements, which are made as of the date of this press release. We undertake no obligation to update publicly any of these forward-looking statements to reflect actual results, new information or future events, changes in assumptions or changes in other factors affecting forward-looking statements, except to the extent required by applicable laws. If we update one or more forward-looking statements, no inference should be drawn that we will make additional updates with respect to those or other forward-looking statements.
