

World of Hyatt Loyalty Program Extends to Home Sharing

3/1/2018

Through Oasis, World of Hyatt members can earn and redeem points at hand-picked homes from Uruguay to Italy

CHICAGO--(BUSINESS WIRE)-- [Hyatt Hotels Corporation](#) (NYSE:H) today announced an industry-leading extension of the [World of Hyatt](#) loyalty program to the home sharing space. Effective today, members can now earn and redeem World of Hyatt points with [Oasis](#), a global leader in serviced home rental accommodations that offers more than 2,000 personally vetted homes across more than 20 destinations worldwide.

Oasis combines the comfort and authenticity of a home with hotel-like amenities, including in-person check-in, fresh linens, luxury toiletries, WiFi internet and on-demand concierge services. Additionally, Oasis' global operations expands Hyatt's footprint in many markets where Hyatt is currently underrepresented or not yet represented, including Barcelona, Ibiza, Punta del Este (Uruguay), Rome and Trancoso (Brazil).

"Sometimes our members' travel needs go beyond a hotel, whether it's because they're traveling with a larger group, have a longer stay in mind, need more space or want to stay in a local neighborhood. But we understand that they also want the peace of mind, personalized service, and loyalty benefits they expect from experiences backed by Hyatt," said Amy Weinberg, senior vice president, World of Hyatt. "As we continue focusing on super-serving our guests across more dimensions of their lives, this Oasis collaboration is an important step in understanding how we can serve our members in new ways and in new places."

Oasis home rentals are part of The Unbound Collection by Hyatt brand, which was designed to be a collection of unique experiences worth sharing, not just hotels. Offering upper-upscale and luxury properties that have distinctive characteristics, rich history, exclusive locations, famous architecture, design and more, The Unbound Collection by Hyatt brand now includes hand-picked, quality home rentals with the reassurance that comes from Hyatt.

"Oasis was built on the idea of bringing high-quality standards, design and service to the world of home rentals, so it's a natural progression to offer World of Hyatt members a new way to travel, without sacrificing the high standards to which they are accustomed," said Parker Stanberry, founder of Oasis. "Hyatt is the industry leader when it comes to offering genuine and trusted travel experiences, so we're thrilled to participate in the World of Hyatt program."
