

Auna appoints Executive Vice President of Healthcare Services

Monterrey, Mexico, November 1, 2024 – Auna S.A. (NYSE: AUNA) (“Auna” or the “Company”), a leading healthcare provider with operations in Mexico, Peru, and Colombia, announced the appointment of Mauricio Camargo as Executive Vice President of Healthcare Services. He will join the executive team, reporting to our Executive Chairman and President, Suso Zamora.

Mauricio brings extensive experience to Auna, having served as Senior Vice President for Strategy & Transformation at Envision Healthcare and AMSURG, and as Senior Vice President for Strategy, Planning, and Emergency Services at HCA Healthcare in the United States. He was also part of McKinsey & Company’s healthcare practice, where he advised clients across the United States and Latin America.

“We welcome Mauricio, whose proven track record in healthcare transformation, strategy, and operations will greatly benefit our mission to improve healthcare access, outcomes, and patient experiences in Latin America,” said Suso Zamora, Executive Chairman of the Board and President of Auna.

In his new role, Mauricio will oversee Auna’s clinical strategy and care model, focusing on high-complexity care to meet the needs of patients, families, physicians, nurses, and clinical staff. He will manage our Regional Centers of Excellence, implementing protocols and guidelines to advance quality outcomes and patient experiences across our network.

“I am thrilled to join Auna and contribute to the healthcare transformation across Latin America, building on Auna’s commitment to deliver value-based, patient-centered care for high-complexity diseases,” said Mauricio Camargo.

Mr. Camargo holds undergraduate degrees in Physics, Biological Physics, and Economics from Brandeis University, an MBA from Harvard Business School, and a Masters in Health Sciences and Technology jointly from Harvard Medical School and the Massachusetts Institute of Technology.

About Auna

Auna is a leading healthcare platform in Latin American healthcare company with operations in Mexico, Peru and Colombia, prioritizing prevention and concentrating on high-complexity diseases that contribute the most to healthcare expenditures. Our mission is to transform healthcare by providing access to a highly integrated healthcare offering in the underpenetrated markets of Spanish-Speaking Americas. Founded in 1989, Auna has built one of Latin America's largest modern healthcare platforms that consists of a horizontally integrated network of healthcare facilities and a vertically integrated portfolio of oncological plans and selected general healthcare plans. As of September 30, 2024, Auna's network included 31 healthcare network facilities, consisting of hospitals, outpatient, prevention and wellness facilities with a total of 2,308 beds, and 1.3 million healthcare plans.
