#### **About Auna**

Auna is a leading horizontally and vertically integrated healthcare platform in Latin America with operations in Mexico, Peru, and Colombia, focusing on high-complexity diseases. Our mission is to transform healthcare by providing access to a highly integrated healthcare offering in the underpenetrated markets of Spanish-speaking Americas. Founded in 1989, Auna has built one of Latin America's largest modern healthcare platforms that consists of a horizontally integrated network of healthcare facilities and a vertically integrated portfolio of oncological plans and selected general healthcare plans. As of September 30, 2024, Auna's network included 31 healthcare network facilities, including hospitals, outpatient, prevention and wellness facilities with 2,308 beds, and 1.3 million healthcare plans.
