

#### Overstock.com Scheduled to Release Q3 2015 Financial Results on November 9, 2015

October 29, 2015

SALT LAKE CITY, Oct. 29, 2015 (GLOBE NEWSWIRE) – [Overstock.com](http://Overstock.com) (NASDAQ:OSTK) is scheduled to release third quarter financial results for the period ending September 30, 2015, on Monday, November 9, 2015 after the market closes. The company has scheduled a conference call and webcast for 4:30 p.m. ET that day to discuss these results.

"I mentioned in our conference call last quarter that we were expecting on August 30 the unsealing of documents related to our legal case with Goldman Sachs and Merrill Lynch. Through various unforeseen but typical machinations, that unsealing was delayed until just days ago, but last week they were, at last, unsealed in a California courtroom. I believe there is a distinct possibility of significant article(s) derived from those documents being published in the coming days, and I believe it highly likely that, having read such news the shareholders for whom I work are going to want to ask me about this subject in our earnings call. After so many years, I will finally be in a position to discuss my thinking in regards to this case (under the adult supervision of counsel, no doubt)," said Overstock CEO Patrick M. Byrne. "For these reasons, I am delaying our earnings announcement and call to give said news time to appear, so that there might be opportunity to discuss this extraordinary subject candidly with our shareholders."
