About Bed Bath & Beyond

Bed Bath & Beyond, Inc. (NYSE:BBBY) is building an integrated home ecosystem designed to make living in, financing, protecting, and caring for a home simpler, more accessible, and more affordable. Through a portfolio of trusted retail brands—including Bed Bath & Beyond, buybuy BABY, Overstock, Kirkland’s and The Container Store—the Company serves millions of customers through omnichannel experiences that act as the front door to the home. These brands generate meaningful engagement, transaction data, and long-term customer relationships across every stage of home ownership and family life. At the center of this ecosystem is Beyond, the Company’s loyalty, data, and services layer, where commerce, financial services, insurance, and protection products converge. By leveraging an asset-light model and a growing home products and services business—including installation, maintenance, and ongoing care—Beyond reduces friction, lowers costs, and expands access for consumers while increasing lifetime value and engagement. The Company also invests in and operates differentiated blockchain and data infrastructure, including tZERO and GrainChain, which enhance transparency, efficiency, and liquidity across financial services, supply chains, and real-world assets. These capabilities support secure transactions, trusted data, and innovative ownership and financing models aligned with the future of the home. Together, Bed Bath & Beyond's retail brands, digital platforms, financial and protection services, and technology investments form a connected system designed to advocate for consumers while generating durable, recurring value for shareholders.
