WHEREAS, the Company is party to a Fourteenth Supplemental Indenture, dated as of June 20, 2023, among the Company, OMH, as a Guarantor, the Original Trustee and the Trustee (the “**Fourteenth Supplemental Indenture**”), permitting the Company to designate and appoint the Trustee to serve as Series Trustee under the Base Indenture with respect to any one or more series of Securities that may be issued from time to time after the date of the Fourteenth Supplemental Indenture;

WHEREAS, Section 15.01 of the Base Indenture provides for various matters with respect to any series of Securities issued under the Base Indenture to be established in an indenture supplemental to the Base Indenture, including the form or terms of Securities of any series as provided by Sections 2.01 and 3.01 of the Base Indenture;

WHEREAS, the Board of Directors has duly adopted resolutions authorizing the Company to execute and deliver this Supplemental Indenture;

WHEREAS, the Company desires to provide for the establishment of a new series of its Securities to be known as its 7.500% Senior Notes due 2031 (the “**Initial Notes**”), the form and substance of such Notes and the terms, provisions and conditions thereof to be set forth as provided in the Base Indenture and this Supplemental Indenture;

WHEREAS, the Company desires to designate and appoint HSBC Bank USA, National Association, to serve as Trustee under the Indenture with respect to the Notes, with the effect of causing the Notes to constitute a Designated Series (as defined in the Fourteenth Supplemental Indenture) for all purposes of the Indenture;

WHEREAS, the Company now wishes to issue Notes in an initial aggregate principal amount of \$750,000,000; and

WHEREAS, the Company hereby directs the Trustee to execute and deliver this Supplemental Indenture; all requirements necessary to make (i) this Supplemental Indenture a

valid instrument in accordance with its terms and (ii) the Notes, when executed by the Company and authenticated and delivered by the Trustee, the valid obligations of the Company, have been performed; and the execution and delivery of this Supplemental Indenture has been duly authorized in all respects;

NOW THEREFORE, in consideration of the purchase and acceptance of the Notes by the Holders thereof, and for the purpose of setting forth, as provided in the Base Indenture, the form and substance of the Notes and the terms, provisions and conditions thereof, the Company covenants and agrees with the Trustee as follows:

ARTICLE 2 TERMS AND CONDITIONS OF THE NOTES

Section 2.01. Designation and Principal Amount. There is hereby authorized a Designated Series of Securities designated the “7.500% Senior Notes due 2031” initially offered in the aggregate principal amount of \$750,000,000, which amount shall be as set forth in a Company Order for the authentication and delivery of such Notes pursuant to Section 3.03 of the Base Indenture. The aggregate principal amount of Notes that may be authenticated and delivered under the Indenture is unlimited. Upon the execution of this Supplemental Indenture, or from time to time thereafter, Notes may be executed by the Company and delivered to the Trustee for authentication, and the Trustee shall thereupon authenticate and deliver Notes upon receipt of a Company Order, such order signed by an Officer of the Company, without any further action by the Company hereunder. The Trustee shall authenticate Additional Notes from time to time for original issue in aggregate principal amounts specified by the Company upon delivery by the Company of such Additional Notes together with a Company Order for the authentication and delivery of such Additional Notes.

Section 2.02. Execution, Authentication, Delivery and Dating. With respect to the Notes, Section 3.03(a) of the Base Indenture shall be replaced in its entirety as follows: “The Securities shall be executed in the name and on behalf of the Company by the manual, electronic or facsimile signature of its Chairman of the Board of Directors, its Chief Executive Officer, its Chief Financial Officer, its Chief Accounting Officer, its President, one of its Executive Vice Presidents, Senior Vice Presidents or Vice Presidents, its Controller or its Treasurer. If the Person whose signature is on a Security no longer holds that office at the time the Security is authenticated and delivered, the Security shall nevertheless be valid.”

Section 2.03. Original Issue of Notes; Further Issuances.

(a) Notes having an aggregate principal amount of \$750,000,000 may, upon execution of this Supplemental Indenture, be executed by the Company and delivered to the Trustee for authentication, and the Trustee shall thereupon authenticate and deliver said Notes upon receipt of a Company Order, without any further action by the Company, except as otherwise required by the Indenture. The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of the Indenture and the Company, OMH and the Trustee, by their execution and delivery of the Indenture, expressly agree to such terms and provisions and to be bound thereby. Each Holder of (and Holder of beneficial interests in) any Note, by benefiting from such Note, agrees to be bound by the terms and conditions of the Indenture. To the extent any provision of any Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

(b) The Company may, without notice to or the consent of the Holders of the Notes, issue additional Notes having identical terms and conditions as the Initial Notes, other than with respect to the date of issuance, issue price and first Interest Payment Date, in an unlimited aggregate principal amount (the “**Additional Notes**”). Any such Additional Notes will be part of the same series as the Initial Notes and will be treated as one class with such Initial Notes, including, without limitation, for purposes of voting and redemptions; provided, that if any such Additional Notes are not fungible with the Initial Notes for U.S. federal income tax purposes, such Additional Notes shall have a separate CUSIP number.

Section 2.04. Maturity. The Notes will mature on May 15, 2031.

Section 2.05. Interest. The Notes will bear interest at the rate of 7.500% per annum from the most recent Interest Payment Date to which interest has been paid or duly provided for or, if no interest has been paid, from the Issue Date until the principal thereof becomes due and payable, payable semiannually in arrears on May 15 and November 15 of each year (each, an “**Interest Payment Date**”), commencing on November 15, 2024, to the Person in whose name such Note or any Predecessor Security is registered, at the close of business on the Record Date for such interest installment, which shall be the close of business on the May 1 or November 1 (whether or not a Business Day), as the case may be, immediately preceding such Interest Payment Date, and at the foregoing respective rates on overdue principal.

Section 2.06. Place of Payment. The Place of Payment where Notes may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer or exchange initially is the Corporate Trust Office of the Trustee.

Section 2.07. Form; Denomination.

(a) The Notes and the Trustee’s Certificate of Authentication to be endorsed thereon are to be substantially in the form of Exhibit A hereto.

(b) The Notes shall be issued initially in the form of one or more permanent Global Notes in registered form, without coupons, substantially in the form herein below recited and attached as Exhibit A hereto (each, a “**Global Note**” and collectively, the “**Global Notes**”), deposited with the Trustee, as custodian for the Depository, duly executed by the Company and authenticated by the Trustee as herein provided.

The aggregate principal amount of each Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for the Depository or its nominee, as provided in Section 3.03 of the Base Indenture.

(c) The Notes shall be issuable only in registered form, without coupons, in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes shall be numbered, lettered, or otherwise distinguished in such manner or in accordance with such plans as the officers of the Company executing the same may determine.

Section 2.08. Depository. The Depository Trust Company shall be the initial Depository, until a successor shall have been appointed and become such pursuant to the applicable

provisions of this Supplemental Indenture, and thereafter, “**Depository**” shall mean or include such successor.

ARTICLE 3
REDEMPTION OF THE NOTES

Section 3.01. Optional Redemption.

The Notes may be redeemed, in whole or in part, at the option of the Company pursuant to Section 3.02 hereof. Other than as specifically provided in this Article 3, any redemption pursuant to this Article 3 will be made pursuant to the provisions of Article IV of the Base Indenture.

Section 3.02. Optional Redemption by the Company.

Except as set forth in the next two succeeding paragraphs, the Notes are not subject to redemption prior to the Stated Maturity, and there is no sinking fund for the Notes.

On and after May 15, 2027, the Company may redeem, at its option, all or, from time to time, part of the Notes, upon not less than 30 nor more than 60 days’ prior notice (with a copy to the Trustee), at the applicable Redemption Price set forth below (expressed as a percentage of the principal amount of Notes to be redeemed), plus accrued and unpaid interest on the Notes, if any, to, but excluding, the applicable Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), if redeemed during the 12-month period beginning on May 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2027	103.750%
2028	101.875%
2029 and thereafter	100.000%

In addition, prior to May 15, 2027, the Company may redeem, at its option, all or, from time to time, part of the Notes, upon not less than 30 nor more than 60 days’ prior notice (with a copy to the Trustee) at a Redemption Price equal to the sum of (i) 100% of the principal amount thereof, plus (ii) the Applicable Premium as of the Redemption Date, plus (iii) accrued and unpaid interest on the Notes, if any, to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

Section 3.03. Notice of Redemption.

In connection with any redemption of Notes described in this Article 3, any such redemption and/or notice of redemption may, at the Company’s discretion, be subject to the satisfaction or waiver of one or more conditions precedent, including completion of an equity offering or other corporate transaction. In addition, if such redemption or notice is subject to the satisfaction or waiver of one or more conditions precedent, such notice shall state that, in the Company’s discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied or waived, or such redemption may not occur and such notice may

be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date, or by the redemption date so delayed.

ARTICLE 4 COVENANTS

Section 4.01. Covenants. With respect to the Notes, Article VI of the Base Indenture shall be replaced in its entirety with the following:

ARTICLE VI PARTICULAR COVENANTS OF THE COMPANY

The Company hereby covenants and agrees as follows:

Section 6.01. Payments of Notes.

The Company shall promptly pay or cause to be paid the principal or the Redemption Price of, and interest, if any, on, the Notes on the dates, in the amounts and in the manner provided in the Notes and in the Indenture. Principal or the Redemption Price and interest, if any, shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds in accordance with the Indenture no later than 10:00 a.m., New York City time, money sufficient to pay all principal or Redemption Price and interest, if any, then due.

Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from and including the Issue Date to but excluding the date of payment.

The Company shall pay interest (including post-petition interest in any proceeding under Bankruptcy Law) on overdue principal or the Redemption Price at the rate specified therefor in the Notes, and it shall pay interest (including post-petition interest in any proceeding under Bankruptcy Law) on overdue installments of interest at the same rate to the extent lawful.

Section 6.02. Paying Agent.

(a) The Company will maintain in each Place of Payment for the Notes, if any, an office or agency where Notes may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer or exchange (the “**Paying Agent**”). The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as Paying Agent to receive all presentations and surrenders.

(b) The Company may also from time to time designate different or additional offices or agencies where the Notes may be presented or surrendered for any or all such purposes (in or outside of such Place of Payment), and may from time to time rescind any such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligations described in the preceding paragraph. The Company will give prompt

written notice to the Trustee of any such additional designation or rescission of designation and of any change in the location of any such different or additional office or agency. The Company shall enter into an appropriate agency agreement with any Paying Agent not a party to the Indenture. The agreement shall implement the provisions of the Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of each such agent. The Company or any Affiliate thereof may act as Paying Agent.

Section 6.03. To Hold Payment in Trust.

(a) If the Company or an Affiliate thereof shall at any time act as Paying Agent with respect to any Notes, then, on or before the date on which the principal of and premium, if any, or interest on the Notes by their terms or as a result of the calling thereof for redemption shall become payable, the Company or such Affiliate will segregate and hold in trust for the benefit of the Holders of the Notes or the Trustee a sum sufficient to pay such principal and premium, if any, or interest which shall have so become payable until such sums shall be paid to such Holders or otherwise disposed of as herein provided, and will notify the Trustee of its action or failure to act in that regard. Upon any proceeding under any federal bankruptcy laws with respect to the Company or any Affiliate thereof, if the Company or such Affiliate is then acting as Paying Agent, the Trustee shall replace the Company or such Affiliate as Paying Agent.

(b) If the Company shall appoint, and at the time have, a Paying Agent for the payment of the principal of and premium, if any, or interest any the Notes, then prior to 10:00 a.m., New York City time, on the date on which the principal of and premium, if any, or interest on the Notes shall become payable as aforesaid, whether by their terms or as a result of the calling thereof for redemption, the Company will deposit with such Paying Agent a sum sufficient to pay such principal and premium, if any, or interest so becoming due, such sum to be held in trust for the benefit of the Holders entitled to such principal, premium, if any, or interest, and (unless such Paying Agent is the Trustee), the Company or any other obligor of the Notes will promptly notify the Trustee of such action or any failure to so act.

(c) If the Paying Agent shall be other than the Trustee, the Company will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section 6.03, that such Paying Agent shall:

(i) hold all sums held by it for the payment of the principal of and premium, if any, or interest on the Notes in trust for the benefit of the Holders entitled thereto until such sums shall be paid to such Holders or otherwise disposed of as herein provided;

(ii) give to the Trustee notice of any Default by the Company or any other obligor upon the Notes in the making of any payment of the principal of and premium, if any, or interest on the Notes;

(iii) at any time during the continuance of any such Default, upon the written request of the Trustee, pay to the Trustee all sums so held in trust by such Paying Agent; and

(iv) acknowledge, accept and agree to comply in all aspects with the provisions of the Indenture relating to the duties, rights and liabilities of such Paying Agent.

(d) Anything in this Section 6.03 to the contrary notwithstanding, the Company may at any time, for the purpose of obtaining a release, satisfaction or discharge of the Indenture or for any other reason, pay or cause to be paid to the Trustee all sums held in trust by the Company or by any Paying Agent other than the Trustee as required by this Section 6.03, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent.

(e) Subject to applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of and premium, if any, or interest on any Notes and remaining unclaimed for two years after such principal and premium, if any, or interest has become due and payable shall be paid to the Company upon Company Order along with interest (if any) that has accumulated thereon as a result of such money being invested at the direction of the Company, or (if then held by the Company) shall be discharged from such trust, and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment of such amounts without interest thereon, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 6.04. Corporate Existence. Subject to Article VII, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect the corporate existence, rights (charter and statutory), licenses and franchises of the Company; provided, however, that the Company will not be required to preserve any such existence, right, license or franchise if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and that the loss thereof is not adverse in any material respect to the Holders.

Section 6.05. Compliance Certificate.

(a) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, a written statement, which need not comply with Section 18.01, signed by the principal executive officer, principal financial officer or principal accounting officer of the Company, as to his or her knowledge of the Company's compliance with all conditions and covenants under the Indenture. For purposes of this Section 6.05, such compliance shall be determined without regard to any period of grace or requirement of notice under the Indenture.

(b) The Company shall deliver to the Trustee, within ten days after the occurrence thereof written notice of any event which would constitute a Default.

Section 6.06. SEC Reports.

(a) The Company, to the extent required pursuant to Section 314(a) of the TIA, shall file with the Trustee, within fifteen days after the Company is required to file the same with the SEC, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the SEC may from time to time by rules and regulations prescribe) which the Company may be required to file with the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act, or, if the Company is not required to file information, documents or reports pursuant to either of such Sections, then to file with the Trustee and the SEC, in accordance with the rules and regulations prescribed from time to time by the SEC, such of the supplementary and periodic information, documents and reports which would be required pursuant to Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations.

(b) The Company, to the extent required pursuant to Section 314(a) of the TIA, shall file with the Trustee and the SEC, in accordance with the rules and regulations prescribed from time to time by the SEC, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants provided for in the Indenture as may be required from time to time by such rules and regulations.

(c) The Company, to the extent required pursuant to Section 314(a) of the TIA, shall transmit to the Holders of the Notes within 30 days after the filing thereof with the Trustee, in the manner and to the extent provided in Section 313(c) of the TIA, such summaries of any information, documents and reports required to be filed by the Company pursuant to the two immediately preceding sentences as may be required by rules and regulations prescribed from time to time by the SEC.

(e) Delivery of such reports, information and documents to the Trustee pursuant to this Section 6.06 is for informational purposes only, and the Trustee's receipt thereof shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants under the Indenture (as to which the Trustee is entitled to receive and conclusively rely on Officers' Certificates).

Section 6.07. Limitation on Liens.

(a) The Company shall not at any time, directly or indirectly, create or assume, and shall not cause or permit any Subsidiary to create or assume, any Mortgage of or upon any of its or their properties or assets, real or personal, whether owned at the Issue Date or thereafter acquired, or of or upon any income or profit therefrom, without making effective provision, and the Company covenants that in any such case the Company will make or cause to be made

effective provision, whereby the Notes shall be secured by such Mortgage equally and ratably with or prior to any and all other obligations and indebtedness to be secured thereby, so long as any such other obligations and indebtedness shall be so secured.

(b) Nothing in this Section 6.07 shall be construed to prevent the Company or any Subsidiary from creating, assuming or suffering to exist, and the Company or any Subsidiary is hereby expressly permitted to create, assume or suffer to exist, without securing the Notes as hereinabove provided, any Mortgage of the following character:

(1) any Mortgage on any properties or assets of the Company or any Subsidiary existing on the Issue Date;

(2) any Mortgage on any properties or assets of the Company or any Subsidiary, in addition to those otherwise permitted by this subsection (b) of this Section 6.07, securing Indebtedness of the Company or any Subsidiary and refundings or extensions of any such Mortgage and the Indebtedness secured thereby for amounts not exceeding the principal amount of the Indebtedness so refunded or extended at the time of the refunding or extension thereof and covering only the same property theretofore securing the same; provided that at the time such Indebtedness was initially incurred, the aggregate amount of secured Indebtedness permitted by this paragraph (2), after giving effect to such incurrence, does not exceed 10% of Consolidated Net Tangible Assets;

(3) any Mortgage on any property or assets of any Subsidiary to secure Indebtedness owing by it to the Company or to a Wholly-owned Subsidiary;

(4) any Mortgage on any property or assets of any Subsidiary to secure, in the ordinary course of business, its Indebtedness, if as a matter of practice, prior to the time it became a Subsidiary, it had borrowed on the basis of secured loans or had customarily deposited collateral to secure any or all of its obligations;

(5) any purchase money Mortgage on property, real or personal, acquired or constructed by the Company or any Subsidiary after the Issue Date, to secure the purchase price of such property (or to secure Indebtedness incurred for the purpose of financing the acquisition or construction of any such property to be subject to such Mortgage), or Mortgages existing on any such property at the time of acquisition, whether or not assumed, or any Mortgage existing on any property of any corporation at the time it becomes a Subsidiary, or any Mortgage with respect to any property hereafter acquired; provided, however, that the aggregate principal amount of the Indebtedness secured by all such Mortgages on a particular parcel of property shall not exceed 75% of the cost of such property, including the improvements thereon, to the Company or any such Subsidiary; and provided, further, that any such Mortgage does not spread to other property owned prior to such acquisition or construction or to property thereafter acquired or constructed other than additions to such property;

(6) refinancing, refunding, extension, renewal or replacement (or successive refinancings, refundings, extensions, renewals or replacements) of any Mortgage permitted by this subsection (b) of this Section 6.07 (other than pursuant to paragraph (2)

hereof) for amounts not exceeding (A) the principal amount of the Indebtedness so refinanced, refunded, extended, renewed or replaced at the time of the refunding or extension thereof, and (B) an amount necessary to pay any fees and expenses, including premiums, related to such refinancing, refunding, extension, renewal or replacement, and covering only the same property theretofore securing the same;

(7) deposits, liens or pledges to enable the Company or any Subsidiary to exercise any privilege or license, or to secure payments of workmen's compensation, unemployment insurance, old age pensions or other social security, or to secure the performance of bids, tenders, contracts or leases to which the Company or any Subsidiary is a party, or to secure public or statutory obligations of the Company or any Subsidiary, or to secure surety, stay or appeal bonds to which the Company or any Subsidiary is a party; or other similar deposits, liens or pledges made in the ordinary course of business;

(8) mechanics', workmen's, repairmen's, materialmen's, or carriers' liens; or other similar liens arising in the ordinary course of business; or deposits or pledges to obtain the release of any such liens;

(9) liens arising out of judgments or awards against the Company or any Subsidiary with respect to which the Company or such Subsidiary shall in good faith be prosecuting an appeal or proceedings for review; or liens incurred by the Company or any Subsidiary for the purpose of obtaining a stay or discharge in the course of any legal proceeding to which the Company or such Subsidiary is a party;

(10) liens for taxes not yet subject to penalties for non-payment or contested, or minor survey exceptions, or minor encumbrances, easements or reservations of, or rights of others for, rights of way, sewers, electric lines, telegraph and telephone lines and other similar purposes, or zoning or other restrictions as to the use of real properties, which encumbrances, easements, reservations, rights and restrictions do not in the aggregate materially detract from the value of said properties or materially impair their use in the operation of the business of the Company or of the Subsidiary owning the same;

(11) other liens, charges and encumbrances incidental to the conduct of its business or the ownership of its property and assets which were not incurred in connection with the borrowing of money or the obtaining of advances or credit, and which do not in the aggregate materially detract from the value of its property and assets or materially impair the use thereof in the operation of its business; and

(12) any Mortgage created by the Company or any Subsidiary in connection with a transaction intended by the Company or such Subsidiary to be one or more sales of properties or assets of the Company or such Subsidiary; provided that such Mortgage shall only apply to the properties or assets involved in such sale or sales, the income from such properties or assets and/or the proceeds of such properties or assets.

(c) If at any time the Company or any Subsidiary shall create or assume any Mortgage not permitted by subsection (b) of this Section 6.07, to which the covenant in subsection (a) of this Section 6.07 is applicable, the Company shall promptly deliver to the

Trustee (1) an Officer's Certificate stating that the covenant contained in subsection (a) of this Section 6.07 has been complied with, and (2) an Opinion of Counsel to the effect that the covenant contained in subsection (a) of this Section 6.07 has been complied with, and that any instruments executed by the Company in the performance of such covenant comply with the requirements of such Section.

(d) In the event that the Company shall hereafter secure the Notes equally and ratably with (or prior to) any other obligation or indebtedness pursuant to the provisions of this Section 6.07, the Trustee is hereby authorized and instructed to enter into an indenture or agreement supplemental hereto and to take such other actions, if any, as the Company may deem advisable to enable the Trustee to enforce effectively the rights of the Holders of the Notes so secured equally and ratably with (or prior to) such other obligation or indebtedness.

Section 6.08. Conditional Waiver by Holders of Notes. Anything in the Indenture to the contrary notwithstanding, the Company may fail or omit in any particular instance to comply with a covenant or condition set forth herein with respect to the Notes if the Company shall have obtained and filed with the Trustee, prior to the time of such failure or omission, evidence (as provided in Article IX) of the consent of the Holders of a majority in aggregate principal amount of the Notes at the time Outstanding, either waiving such compliance in such instance or generally waiving compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, or impair any right consequent thereon and, until such waiver shall have become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

When a Default under clause (c) or (d) is cured or remedied within the specified period, it ceases to exist.

(d) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating (i) that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with and (ii) that such Legal Defeasance or Covenant Defeasance, as the case may be, is authorized and permitted pursuant to the terms and conditions of the Indenture.

(b) if a series of Notes has been issued in global form through DTC as Depositary or through another Depositary, notice may be provided in all cases by delivery of such notice to DTC or such other Depositary, as applicable, pursuant to its then Applicable Procedures or a successor system thereof.

Where this Supplemental Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any

action taken in reliance on such waiver. In any case where notice to Holders is given by mail; neither the failure to mail such notice nor any defect in any notice so given to any particular Holder shall affect the sufficiency of such notice with respect to other Holders, and any notice that is given in the manner herein provided shall be conclusively presumed to have been duly given. In any case where notice to Holders is given by publication, any defect in any notice so published as to any particular Holder shall not affect the sufficiency of such notice with respect to other Holders, and any notice that is published in the manner herein provided shall be conclusively presumed to have been duly given.

[FORM OF REVERSE OF SECURITY]

Indenture. This Note is one of a duly authorized issue of securities of the Company (herein called the “**Notes**”), issued and to be issued in one or more series under an Indenture, dated as of December 3, 2014 (herein called the “**Base Indenture**”), among the Company, OneMain Holdings, Inc., as a Guarantor (“**OMH**,” which term includes any successor Person under the Indenture), and Wilmington Trust, National Association, as trustee (herein called the “**Original Trustee**,” which term includes any successor trustee to the Original Trustee under the Indenture), as amended and supplemented by the Seventeenth Supplemental Indenture, dated May 22, 2024 (together with the Base Indenture, as amended, supplemented, or otherwise modified from time to time, the “**Indenture**”), among the Company, OMH, as a Guarantor, and HSBC Bank U.S.A., National Association, as Series Trustee (herein called the “**Trustee**,” which term includes any successor trustee to the Trustee under the Indenture), to which Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes and of the terms upon which the Notes are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$500,000,000. The Initial Notes and Additional Notes shall be treated as a single class of securities for all purposes under the Indenture and will vote on all matters as a single class under the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended. The Notes are subject to all such terms, and Holders are referred to the Indenture and such act for a statement of such terms. The Notes are general obligations of the Company. To the extent a provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

Optional Redemption.

On and after May 15, 2027, the Company may redeem, at its option, all or, from time to time, part of the Notes, upon not less than 30 nor more than 60 days’ prior notice (with a copy to the Trustee), at the applicable Redemption Price set forth below (expressed as a percentage of the principal amount of Notes to be redeemed), plus accrued and unpaid interest on the Notes, if any, to, but excluding, the applicable Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date), if redeemed during the 12-month period beginning on May 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2027	103.750%
2028	101.875%
2029 and thereafter	100.000%

In addition, prior to May 15, 2027, the Company may redeem, at its option, all or, from time to time, part of the Notes, upon not less than 30 nor more than 60 days’ prior notice (with a copy to the Trustee) at a Redemption Price equal to the sum of (i) 100% of the principal amount thereof, plus (ii) the Applicable Premium as of the Redemption Date, plus (iii) accrued and unpaid interest on the Notes, if any, to, but excluding, the Redemption Date (subject to the right

of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date).

For purposes of determining the optional redemption price, the following definitions are applicable:

“**Applicable Premium**” means, with respect to any Note on any Redemption Date, the greater of:

- (a) 1.0% of the principal amount of the Note; and
- (b) the excess, if any, as determined by the Company, of:
 - (i) the present value at such Redemption Date of (x) the Redemption Price of the Note at May 15, 2027 (such Redemption Price being set forth in the table appearing under Section 3.02 of the Supplemental Indenture and under “Optional Redemption” above), plus (y) all required interest payments due on the Note through May 15, 2027 (excluding accrued but unpaid interest to the Redemption Date), discounted to the Redemption Date on a semi-annual basis using a discount rate equal to the Treasury Rate as of such Redemption Date plus 50 basis points; over
 - (ii) the principal amount of the Note.

The Company shall calculate the Applicable Premium and the Trustee shall have no responsibility to verify such amount.

“**Stated Maturity**,” when used with respect to any Note or any installment of principal thereof or any premium or interest thereon, means the fixed date on which the principal of such Note or such installment of principal or premium or interest is due and payable.

“**Treasury Rate**” means, as of any Redemption Date, the yield to maturity as of such Redemption Date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two business days prior to the Redemption Date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the Redemption Date to May 15, 2027; provided, however, that if the period from the Redemption Date to May 15, 2027 of such Notes is less than one year, the weekly average yield on actively traded United States Treasury securities adjusted to a constant maturity of one year will be used.

Notice of any redemption will be given at least 30 days but not more than 60 days before the Redemption Date to each registered Holder of the Notes to be redeemed; provided that redemption notices may be given more than 60 days prior to a Redemption Date if such notice is given in connection with a Legal Defeasance or a Covenant Defeasance or a satisfaction and discharge pursuant to Article XIII of the Base Indenture. Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date, interest will cease to accrue on the Notes or portions of the Notes called for redemption. If fewer than all of the Outstanding Notes are to be redeemed, the Trustee will select, not more than 60 days prior to the

Redemption Date, the particular Notes or portions thereof for redemption from the Outstanding Notes not previously called by such method as the Trustee deems fair and appropriate (or in accordance with Applicable Procedures of the Depositary).

Except as set forth above, the Notes will not be redeemable by the Company prior to Maturity and will not be entitled to the benefit of any sinking fund.

Defaults and Remedies. If an Event of Default with respect to the Notes shall occur and be continuing, the principal of the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.

Amendment, Supplement, Modification and Waiver. The Indenture and the Notes may be amended, supplemented or modified as provided in the Indenture.

Guarantees. The Notes shall be guaranteed by OMH as provided in the Indenture.

Denominations, Transfer and Exchange. The Notes are issuable only in registered form without coupons in minimum denominations of \$2,000 and in integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, the Notes are exchangeable for a like aggregate principal amount of Notes of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registerable in the Security Register, upon surrender of this Note for registration of transfer at the Registrar accompanied by a written request for transfer in form satisfactory to the Company and the Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Persons Deemed Owners. Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Miscellaneous. The Indenture and this Note shall be deemed to be contracts made under the law of the State of New York, and for all purposes shall be governed by and construed in accordance with the law of said State.

All terms used in this Note and not defined herein shall have the meanings assigned to them in the Indenture.
