NEW YORK – Dec. 1, 2020 – OneMain Financial, the country's largest installment lender to hardworking Americans with nonprime credit, announced on Giving Tuesday that it donated an additional $25,000 to Feeding America, bringing its 2020 total contributions to $525,000 to the nonprofit organization.

OneMain's donations to Feeding America will support response and relief efforts of its network of 200 food banks and 60,000 food pantries and meal programs in virtually every community in the United States.
