News Release

OneMain Financial Extends Relief to Louisiana and Mississippi Customers Impacted by Hurricane Ida

9/3/2021

NEW YORK--(BUSINESS WIRE)-- **OneMain Financial** has implemented a Borrower's Assistance program to provide relief to customers in Louisiana and Mississippi affected by Hurricane Ida. The program, which went into effect Sept. 1, will provide options to eligible customers, including deferring loan payments. The assistance will be available through Sept. 30 for customers in 25 parishes in Louisiana and 24 counties in Mississippi.

OneMain will also donate $50,000 to Feeding America's Hurricane Ida Fund to support response and relief efforts in those two states through its network of food banks, food pantries and meal programs.

"We are devastated to see the hurricane damage in Louisiana and Mississippi and want to help individuals and families who are experiencing serious hardships," said OneMain Chairman and CEO Doug Shulman. "As a company dedicated to supporting hardworking Americans – and with so many of our team members and customers located in Mississippi and Louisiana – we are committed to helping our customers and communities recover from Ida."

With 27 branches in Louisiana employing about 100 people, OneMain services nearly 44,000 customer accounts with outstanding receivables of $362.8 million in the state. In Mississippi, OneMain has 26 branches employing about 100 people, and services nearly 39,000 customer accounts with outstanding receivables of $301.2 million in the state.

In addition to a possible deferment, the program ensures that eligible borrowers who have contacted a OneMain representative and been accepted into the program do not incur additional costs, including late fees and returned payment fees, due to program adjustments.

Customers should call 844-791-3990 to discuss assistance options.
