Northern Oil and Gas, Inc. Appoints Ernie Easley to Board of Directors

MINNEAPOLIS--(BUSINESS WIRE)-- Northern Oil and Gas, Inc. (NYSE American: NOG) today announced that Roy “Ernie” Easley, Senior Vice President – Exploration and Development of CH4 Energy, has been appointed to Northern’s board of directors.

“The entire board joins me in welcoming Ernie to Northern’s board of directors,” commented Northern’s Chairman, Bahram Akradi. “Ernie brings 38 years of extensive oil and gas experience across all aspects of the oil and gas business and we look forward to his contributions as we continue our efforts to drive shareholder value.”

Mr. Easley is currently serving as Senior Vice President – Exploration and Development at CH4 Energy. Previously, Mr. Easley has served in various roles, including all aspects of exploration & development and managing multi-disciplinary functions including land, reservoir, and drilling and completions professionals, at companies including BOPCO, L.P., Hunt Oil Company, Chieftain International, Tana Oil and Gas Corporation and Exxon Company, U.S.A. Mr. Easley has also been directly involved in the acquisition, development and divestiture of several large exploration projects in the United States. Mr. Easley holds a Bachelor of Science in Geological Sciences from the University of Texas at Austin.

SAFE HARBOR

This press release contains forward-looking statements regarding future events and future results that are subject to the safe harbors created under the Securities Act of 1933 (the “Securities Act”) and the Securities Exchange Act of 1934 (the “Exchange Act”). All statements other than statements of historical facts included in this release regarding Northern’s financial position, business strategy, plans and objectives of management for future operations, industry conditions, and indebtedness covenant compliance are forward-looking statements. When used in this release, forward-looking statements are generally accompanied by terms or phrases such as “estimate,” “project,” “predict,” “believe,” “expect,” “continue,” “anticipate,” “target,” “could,” “plan,” “intend,” “seek,” “goal,” “will,” “should,” “may” or other words and similar expressions that convey the uncertainty of future events or outcomes. Items

contemplating or making assumptions about actual or potential future sales, market size, collaborations, and trends or operating results also constitute such forward-looking statements.

Forward-looking statements involve inherent risks and uncertainties, and important factors (many of which are beyond Northern's control) that could cause actual results to differ materially from those set forth in the forward-looking statements, including the following: changes in crude oil and natural gas prices, the pace of drilling and completions activity on Northern's properties, Northern's ability to acquire additional development opportunities, changes in Northern's reserves estimates or the value thereof, general economic or industry conditions, nationally and/or in the communities in which Northern conducts business, changes in the interest rate environment, legislation or regulatory requirements, conditions of the securities markets, Northern's ability to raise or access capital, changes in accounting principles, policies or guidelines, financial or political instability, acts of war or terrorism, and other economic, competitive, governmental, regulatory and technical factors affecting Northern's operations, products, services and prices.

Northern has based these forward-looking statements on its current expectations and assumptions about future events. While management considers these expectations and assumptions to be reasonable, they are inherently subject to significant business, economic, competitive, regulatory and other risks, contingencies and uncertainties, most of which are difficult to predict and many of which are beyond Northern's control. Northern does not undertake any duty to update or revise any forward-looking statements, except as may be required by the federal securities laws.
