Safe Harbor Statement

Except for the historical facts, the statements in this press release regarding Douglas Emmett's business activities are forward-looking statements based on the beliefs of, assumptions made by, and information currently available to us about known and unknown risks, trends, uncertainties and factors that are beyond our control or ability to predict. Although we believe that our assumptions are reasonable, they are not guarantees of future performance and some will inevitably prove to be incorrect. As a result, our actual future results can be expected to differ from our expectations, and those differences may be material. Accordingly, investors should use caution in relying on forward-looking statements to anticipate future results or trends. For a discussion of some of the risks and uncertainties that could cause actual results to differ from those contained in the forward-looking statements, see "Risk Factors" in our Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission.
