

THIS DOCUMENT CONTAINS IMPORTANT INFORMATION AND REQUIRES YOUR IMMEDIATE ATTENTION. If you are in any doubt about the contents of this document or the action you should take, you are recommended to seek your own independent financial advice immediately from your stockbroker, bank manager, accountant or other independent financial adviser authorised under the Financial Services and Markets Act 2000 (as amended) if you are in the United Kingdom, or from another appropriately authorised financial adviser if you are in a territory outside the United Kingdom.

This document (the “Form of Election”) should be read in conjunction with the accompanying scheme document published by easyJet plc (“easyJet”) dated 15 October 2026 (the “Scheme Document”). Unless the context otherwise requires, the definitions used in the Scheme Document also apply to this Form of Election. Please read carefully the terms and conditions set out in the Scheme Document in full, the terms of which are incorporated into, and form part of, this Form of Election.

This Form of Election is personalised. If you have recently bought Scheme Shares and, notwithstanding the instructions set out below, you receive this Form of Election from the transferor of such Scheme Shares, you should note that it cannot be used for the purpose of making an Alternative Offer Election in respect of the acquired Scheme Shares. Please contact Equiniti Limited (“Equiniti”) on the helpline detailed below to obtain a replacement Form of Election.

If prior to making an Alternative Offer Election you have sold or otherwise transferred all of your Scheme Shares, please send the Scheme Document (but not this personalised Form of Election, the personalised Forms of Proxy or any other documents or forms personal to you) at once to the purchaser or transferee, or to the stockbroker, bank or other agent through whom the sale or transfer was effected, for delivery to the purchaser or transferee. However, such documents should not be forwarded, distributed or transmitted (in whole or in part) in, into or from any jurisdiction in which such act would constitute a violation of the relevant laws or regulations of such jurisdiction. If you have sold or otherwise transferred only part of your holding of Scheme Shares, you should retain these documents and contact the bank, stockbroker or other agent through whom the sale or transfer was effected.

The release, publication or distribution of this Form of Election and/or any accompanying documents (in whole or in part) in or into jurisdictions other than the United Kingdom may be restricted by the laws of those jurisdictions and therefore persons into whose possession this Form of Election comes should inform themselves about, and observe, any such restrictions. Failure to comply with any such restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, Apollo, Eagle Bidco Ltd (“Bidco”) and easyJet disclaim any responsibility or liability for the violation of such restrictions by such persons. This Form of Election should not be forwarded, distributed or transmitted (in whole or in part) in, into or from any jurisdiction in which such act would constitute a violation of the relevant laws or regulations of such jurisdiction. Any purported election for the Alternative Offer by Restricted Shareholders will be treated as invalid by Bidco.

The availability of the Cash Offer and the Alternative Offer to easyJet Shareholders who are not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are resident. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable legal and regulatory requirements. Further information for Overseas Shareholders is set out in Part Six of the Scheme Document. Any person (including nominees, custodians, trustees or guardians) who would, or otherwise intends to, mail or otherwise forward, distribute or send this Form of Election and/or any related document to any jurisdiction outside the United Kingdom should read that Part before taking any action. A Form of Election that is received in an envelope postmarked in a Restricted Jurisdiction, or which otherwise appears to easyJet, Bidco or their respective agents to have been sent from a Restricted Jurisdiction, may be treated as invalid.

The Rollover Shares and Loan Notes have not been, and will not be, registered under the U.S. Securities Act, or applicable state securities laws. The Rollover Shares and Loan Notes will not be issued to Eligible Electing Shareholders (or, if applicable, their Rollover Nominee(s)) unless Bidco or Apollo determines that they may be issued pursuant to an exemption from, or in a transaction that is not subject to, the registration requirements of the U.S. Securities Act as provided by Section 3(a)(10) of the U.S. Securities Act or another available exemption.

Additional Notes

1. Purchase, sale or transfer of Scheme Shares after having made an election

If you are an Eligible Electing Shareholder and have validly made (and not withdrawn) an Alternative Offer Election pursuant to this Form of Election then:

- if, at the Scheme Record Time, the number of Scheme Shares in certificated form held by you differs from the number of Scheme Shares set out in Box 1A, the validity of your Alternative Offer Election shall not be affected by any such alteration and such election shall apply to your entire holding of Scheme Shares in certificated form as at the Scheme Record Time; and
- you shall not be entitled to transfer your Scheme Shares subject to such Alternative Offer Election after the Election Return Time, and no transfer of Scheme Shares subject to a valid Alternative Offer Election will be registered in easyJet's register of members after the Election Return Time, in each case other than pursuant to the Scheme or unless Bidco or easyJet otherwise determine in their absolute discretion.

If prior to making an Alternative Offer Election you have sold or otherwise transferred all of your Scheme Shares, please send the Scheme Document (but not this personalised Form of Election, the personalised Forms of Proxy or any other documents or forms personal to you) at once to the purchaser or transferee, or to the stockbroker, bank or other agent through whom the sale or transfer was effected, for delivery to the purchaser or transferee. However, such documents should not be forwarded, distributed or transmitted (in whole or in part) in, into or from any jurisdiction in which such act would constitute a violation of the relevant laws or regulations of such jurisdiction. If you have sold or otherwise transferred only part of your holding of Scheme Shares, you should retain these documents and contact the bank, stockbroker or other agent through whom the sale or transfer was effected.

2. If the details printed overleaf are incorrect

This Form of Election shows the registered address at the time of mailing. If these details are incorrect, please immediately contact the helpline.

3. If a holder is away from home (e.g. abroad or on holiday)

Subject to the instructions concerning overseas jurisdictions mentioned in note 12 below, send this Form of Election by the quickest means (e.g. airmail) to the holder (but not in or into a Restricted Jurisdiction or to a Restricted Shareholder) for execution or, if they have executed a power of attorney, have this Form of Election signed by the attorney. In the latter case, the original power of attorney (or a copy thereof duly certified in accordance with the Powers of Attorney Act 1971 by, for example, a solicitor) must be lodged with this Form of Election. No other signatures are acceptable.

4. Ownership & Control Declaration Form and KYC Information

As noted above, Eligible Electing Shareholders (or, where the Eligible Electing Shareholder nominates a Rollover Nominee(s) to receive the Rollover Shares, such Rollover Nominee(s)) are required (in addition to the Eligible Electing Shareholders completing a valid Form of Election) to make an Ownership & Control Declaration by emailing a completed and appropriately executed Ownership & Control Declaration Form to Equiniti at easyjetoffer@equiniti.com so as to be received by Equiniti by no later than the date of the Sanction Hearing. Equiniti will require your full name and your shareholder reference number that can be found on the top of your Form of Election in order to produce a personalised Ownership & Control Declaration Form.

Eligible Electing Shareholders (or, where the Eligible Electing Shareholder nominates a Rollover Nominee(s) to receive the Rollover Shares, such Rollover Nominee(s)) may also be required to provide completed KYC Information so as to be received by Computershare by no later than the date of the Sanction Hearing if it is determined by Bidco (and/or its nominee(s)) that such Eligible Electing Shareholder (or, if applicable, its Rollover Nominee(s)) would or is likely to meet the KYC Threshold. If you are an Eligible Electing Shareholder (or, if applicable, its Rollover Nominee(s)) that would or is likely to meet the KYC Threshold, Bidco or Computershare will contact you directly following submission of your Form of Election in relation to the submission of your completed KYC Information so as to be received by Computershare by no later than the date of the Sanction Hearing.

Eligible Electing Shareholders are strongly encouraged to return their completed and appropriately executed Form of Election and their Ownership & Control Declaration Form as soon as possible and by no later than the relevant deadlines set out above. A contact email address and telephone number should be provided to Equiniti on this Form of Election so that such Eligible Electing Shareholder can be contacted by Bidco or Computershare in respect of the provision of KYC Information, if required. Eligible Electing Shareholders (and, if applicable, any Rollover Nominee(s)) are advised to visit easyJet's website at <https://corporate.easyjet.com/investors/offer-from-apollo> to access a sample copy of the Ownership & Control Declaration Form and the KYC Form (setting out details of the KYC Information that may be required in the event Bidco (and/or its nominee(s)) determines the KYC Threshold may be met). In addition, Eligible Electing Shareholders who act as nominees (or in a similar capacity) and anticipate an Eligible Electing Beneficial Holder may satisfy the KYC Threshold are advised to contact such Eligible Electing Beneficial Holder as soon as possible to obtain the relevant KYC Information.

The KYC Information and Ownership & Control Declaration Form are each subject to the approval of Bidco at its sole discretion. Failure to provide a completed and appropriately executed Ownership & Control Declaration Form in a form satisfactory to Bidco so as to be received by Equiniti by no later than the date of the Sanction Hearing and (if applicable) the completed KYC Information so as to be received by Computershare by no later than the date of the Sanction Hearing will result in any Alternative Offer Election being deemed void and invalid. Unless and to the extent that Bidco, in its absolute discretion, elects to treat as valid any such Alternative Offer Election). The relevant Eligible Electing Shareholder would in such a circumstance instead receive the cash consideration under the Cash Offer in respect of their entire holding of Scheme Shares. Further details on eligibility requirements are included at Part Eight of the Scheme Document.

5. Form and validity of Forms of Election

Bidco will determine all questions as to form and validity, including the timing of receipt, of any Forms of Election in its absolute discretion and may, if it so determines, accept a Form of Election which is received after the Election Return Time or which is not valid and complete in all respects. None of Bidco or any other person will be under any duty to give notice of any defect or irregularity in any Form of Election or incur any liability for failure to give any such notification.

6. Invalid elections

If your Alternative Offer Election is invalid for any reason, you will (subject to the further terms and conditions of the Scheme) receive the cash consideration under the Cash Offer, unless Bidco, in its absolute discretion, elects to treat as valid any such Alternative Offer Election.

7. Withdrawal and amendment

If you have returned a Form of Election and subsequently wish to withdraw or amend your Form of Election, you must notify Equiniti in writing by no later than the Election Return Time. Such notice must contain an original signature and clearly specify whether the Alternative Offer Election is to be withdrawn or amended. Any notices of this nature should be sent to Equiniti Limited, Corporate Actions, Highdown House, Yeoman Way, Worthing, West Sussex BN99 6DA. It is at Equiniti's absolute discretion to require the submission of a new Form of Election if an amendment is requested.

8. Conflicting elections

If you deliver more than one Form of Election to Equiniti in respect of your Scheme Shares, in the case of an inconsistency between such Forms of Election, the last Form of Election which is delivered by the Election Return Time shall prevail over any earlier Form of Election. The delivery time for a Form of Election shall be determined on the basis of which Form of Election is last sent or, if Equiniti is unable to determine which is last sent, is last received. Forms of Election which are sent in the same envelope will be treated as having been sent and received at the same time and, in the case of an inconsistency between such Forms of Election, none of them shall be treated as valid (unless Bidco otherwise determines in its absolute discretion).

9. If the sole holder has died

If probate or letters of administration has/have been registered with Equiniti, this Form of Election must be signed by the personal representative(s) of the deceased and returned to Equiniti. If probate or letters of administration has/have not been registered with Equiniti, the personal representative(s) should immediately contact the helpline and select the appropriate option from the list provided. All documents must be received by Equiniti by no later than the Election Return Time.

10. If one of the holders in a joint account has died

This Form of Election is valid if signed by the surviving holder(s) and lodged with the death certificate(s) and an office copy grant of probate or letters of administration of the deceased holder. These documents will be returned as directed. All documents must be received by Equiniti by no later than the Election Return Time.

11. If this Form of Election is signed under a power of attorney

If the power of attorney has been registered with Equiniti, this Form of Election must be signed in accordance with the power of attorney and returned to Equiniti so as to be received by Equiniti by no later than the Election Return Time. If the power of attorney has not been registered with Equiniti, you should immediately contact the helpline and select the appropriate option from the list provided.

12. Overseas Shareholders

The attention of Overseas Shareholders is drawn to Part Six of the Scheme Document. Overseas Shareholders should consult their professional adviser to ascertain whether the Acquisition will be subject to any restrictions or require compliance with any formalities imposed by the laws or regulations of, or any person or authority located in, the jurisdictions in which they are resident. The distribution of this Form of Election or the Scheme Document or the Ownership & Control Declaration Form in certain jurisdictions may be restricted by law. Persons into whose possession this Form of Election or the Scheme Document or the Ownership & Control Declaration Form comes should inform themselves about and observe any legal requirements applicable to their relevant jurisdiction.

13. If you hold some or all of your Scheme Shares in CREST

You should note that if you are an Eligible Electing Shareholder who holds some of your Scheme Shares in uncertificated form (that is, in CREST) and you wish to make an Alternative Offer Election in respect of such Scheme Shares held in uncertificated form, you should NOT complete this Form of Election in respect of those Scheme Shares. Instead, you will need to take (or procure to be taken) the actions set out in paragraph 2.2 of Part Nine of the Scheme Document in respect of those Scheme Shares and elect for the Alternative Offer using a transfer to escrow instruction ("**TTE Instruction**") specifying Equiniti (in its capacity as a CREST participant under the participant ID RA19), as the escrow agent, as soon as possible and in any event so that the TTE Instruction settles by no later than the Election Return Time. If you are a CREST personal member or other CREST sponsored member, you should refer to your CREST sponsor before taking any action. Your CREST sponsor will be able to confirm details of your participation ID and the member account ID under which your Scheme Shares are held. In addition, only your CREST sponsor will be able to send the TTE Instruction to Euroclear in relation to your Scheme Shares.

If you hold your Scheme Shares in both certificated and uncertificated form and you wish to make an Alternative Offer Election in respect of both such holdings, you must make separate elections in respect of each holding of Scheme Shares – i.e. complete a Form(s) of Election in respect of certificated holdings and a TTE Instruction(s) in respect of uncertificated holdings.

14. Nominee Shareholders

An Eligible Electing Shareholder may only make an Alternative Offer Election in respect of all (but not part only) of their holding of Scheme Shares (subject to the terms and conditions of the Alternative Offer set out in Part Eight of the Scheme Document). This means that an Eligible Electing Shareholder that is a nominee or similar holder (other than a CREST nominee operating a pooled account), as the Eligible Electing Shareholder, cannot make a partial election in respect of the Cash Offer and the Alternative Offer (or an Alternative Offer Election in respect of part (but not all) of the Scheme Shares held by them on behalf of Eligible Electing Beneficial Holders) based on the individual preferences of Eligible Electing Beneficial Holders. Should this occur, this will result in any such Alternative Offer Election being deemed void and invalid and such nominee or similar holder (as the Eligible Electing Shareholder) would instead receive the cash consideration under the Cash Offer in respect of its entire holding of Scheme Shares (and therefore the entire beneficial holding of Scheme Shares for the relevant Eligible Electing Beneficial Holders), unless and to the extent that Bidco, in its absolute discretion, elects to treat as valid any such Alternative Offer Election.

Therefore, if you are an Eligible Electing Beneficial Holder whose Scheme Shares are held through a nominee or similar arrangement (other than a CREST nominee operating a pooled account), either in uncertificated form or in certificated form, and who wishes to make an Alternative Offer Election, you should contact your nominee and/or (if different) the registered holder of such Scheme Shares. In order for an Eligible Electing Beneficial Holder to make a valid Alternative Offer Election, such Eligible Electing Beneficial Holder may first need to arrange with the nominee and/or (if different) the registered holder of the relevant Scheme Shares the transfer of legal title to such Scheme Shares to the Eligible Electing Beneficial Holder, so that the Eligible Electing Beneficial Holder becomes the registered holder of such Scheme Shares (and therefore an Eligible Electing Shareholder) before making an Alternative Offer Election directly in their own name as the registered holder of such Scheme Shares, in the manner described above for certificated and/or uncertificated Scheme Shares (as applicable). In order for an Alternative Offer Election to be valid, these steps should be taken as soon as possible and in any event by no later than such time as enables a completed and appropriately executed Form of Election to be received by Equiniti by no later than the Election Return Time and a completed and appropriately executed Ownership & Control Declaration Form to be received by Equiniti by no later than the date of the Sanction Hearing (and, if required, the submission of completed KYC Information so as to be received by Computershare by no later than the date of the Sanction Hearing). For the avoidance of doubt, neither Equiniti, easyJet, Bidco nor any member of the Wider Bidco Group is able to assist with this process.

Any Eligible Electing Shareholder that is a CREST nominee operating a pooled account will be permitted to make an Alternative Offer Election in respect of part of their holding of Scheme Shares, provided that such partial Alternative Offer Election reflects an instruction given to such CREST nominee by an Eligible Electing Beneficial Holder to make an Alternative Offer Election in respect of all (but not part only) of their beneficial holding of Scheme Shares. Please see Part Nine of the Scheme Document for further information.
