Announcing Schrödinger Software Release 2018-1

2/15/2018

NOTE: This contains archival information which should not be considered current.

We are pleased to announce Schrödinger software release 2018-1, which is available for **download now**.

This quarterly release includes usability improvements and performance enhancements across all of our software. New tutorials are also available on our **Training Page** covering FEP, biologics, homology modeling, and many more topics.
