#### **E: TRANSFEREE SIGNATURES**

Please carefully read and separately initial each of the representations below. Except in the case of fiduciary accounts, you may not grant any person a power of attorney to make such representations on your behalf. The undersigned further acknowledges and/or represents (or in the case of fiduciary accounts, the person authorized to sign on such investor's behalf) the following (ALL appropriate lines must be initialed):

	INVESTOR INITIALS	JOINT OWNER INITIALS
Represents that I (we) either: (i) have a net worth (exclud-ing home, home furnishings and automobiles) of at least \$70,000 and estimate that (without regard to investment in the applicable offering) I (we) have gross income due in the current year of at least \$70,000; or (ii) have a net worth (excluding home, home furnishings and automobiles) of at least \$250,000 or such higher suitability as may be required by certain states and set forth in the "Investor Suitability Standards" section of the FBCC Prospectus; in the case of sales to fiduciary accounts, suitability standards must be met by the beneficiary, the fiduciary account or by the donor or grantor who directly or indirectly supplies the funds for the purchase of the Shares.		
I/we acknowledge receipt of the final Prospectus of FBCC, not less than five (5) business days prior to the signing of this Subscription Agreement.		
I/we am/are purchasing shares for my/our own account.		
I/we acknowledge that shares are not liquid.		
If an affiliate of FBCC, I/we represent that the shares are being purchased for investment purposes only and not for immediate resale.		
You do not expect to be able to sell your shares regard-less of how FBCC performs.  If you are able to sell your shares, you will likely receive less than your purchase price.  FBCC does not intend to list the shares on any securities exchange during the offering period or for what may be a significant time thereafter, and it does not expect a secondary market in the shares to develop. Although FBCC has implemented a share repurchase program, only a limited number of shares are eligible for repurchase. Any such repurchases will be at a 7.5% discount to the current offering price in effect on the date of repurchase. FBCC may suspend or terminate its share repurchase program at any time.  You may not have access to the money you invest for an indefinite period of time until FBCC completes a		
liquidity event. Moreover, there is no assurance that FBCC will ever complete a liquidity event.  • An investment in the shares is not suitable for you if you need access to the money you invest.		
Because you will be unable to sell your shares, you will be unable to reduce your exposure on any market downturn.		
Distribution may be funded from offering proceeds or borrowings, which may constitute a return of capital and reduce the amount of capital available to FBCC for investment. Any capital returned to stockholders through distributions will be distributed after payment of fees and expenses.		
California residents only: In addition to the suitability requirements described above, investors' maximum investment in FBCC shares will be limited to 10% of the investor's net worth (exclusive of home, home furnishings and automobiles).
