

IPG Photonics Corporation

2023 Annual Report on

Political Contributions

Trade Associations

Set forth below are the payments made by IPG Photonics Corporation, or any of its subsidiaries (collectively, the “Company”), to industry groups and/or trade organizations in excess of \$10,000 during calendar year 2023. The Company asks each such organization to identify the portion of the Company’s contribution utilized for lobbying activities and/or political expenditures and reports the percentage below. Organizations that informed the Company that less than \$3,000 of our payment or dues were used for lobbying activities or political expenditures have been omitted.

Trade Association	Membership Dues	Portion Utilized for Lobbying Activities
Massachusetts High Technology Council, Inc.	\$74,500	\$29,800

Lobbying Firms

The Company did not contribute to any lobbying firms during calendar year 2023.
