

IPG Photonics Corporation to Announce Fourth-Quarter and Year-End 2008 Financial Results on February 24

IPG Photonics Corporation to Announce Fourth-Quarter and Year-End 2008 Financial Results on February 24

Company to Webcast Conference Call Live

OXFORD, Mass., Feb 05, 2009 (BUSINESS WIRE) -- IPG Photonics (NASDAQ: IGP) today announced that in conjunction with its scheduled quarterly financial results news release, the Company plans to webcast its fourth-quarter and year-end 2008 financial results conference call live on Tuesday, February 24, 2009 at 10:00 a.m. ET.

IPG's fourth-quarter 2008 conference call will be hosted by IPG Photonics Chairman and Chief Executive Officer Dr. Valentin P. Gapontsev, and Vice President and Chief Financial Officer Timothy P.V. Mammen. To listen to a live webcast of the call, please visit the Company's website at www.ipgphotonics.com. Individuals may also listen to the call via telephone, by dialing (877) 856-1964 or (719) 325-4782. Interested parties unable to participate in the live call may access an archived version of the webcast on IPG's website.

About IPG Photonics Corporation

[IPG Photonics Corporation](http://www.ipgphotonics.com) is the world leader in high-power fiber lasers and amplifiers. Founded in 1990, IPG pioneered the development and commercialization of optical fiber-based lasers for use in a wide range of applications such as [materials processing](#), [advanced applications](#), [telecommunications](#) and [medical](#) applications. Fiber lasers have revolutionized the industry by delivering superior performance, reliability and usability at a lower total cost of ownership compared with conventional lasers, allowing end users to increase productivity and decrease operating costs. IPG has its headquarters in Oxford, Massachusetts, and has additional plants and offices throughout the world. For more information, please visit www.ipgphotonics.com.
