VANCOUVER, BRITISH COLUMBIA V6M 3V5**

**INFORMATION CIRCULAR
AS AT FEBRUARY 21, 2023**

This Information Circular accompanies the Notice of the Annual General and Special Meeting (the “**Meeting**”) of the holders (“**Shareholders**”) of common shares (“**Common Shares**”) of **VANADIUMCORP RESOURCE INC.** (the “**Corporation**”) to be held at Suite 303 – 5455 West Boulevard, Vancouver, BC on March 30, 2023 at 10:00 a.m. (PDT), and is furnished in connection with a solicitation of proxies by the Board of Directors of the Corporation for use at that Meeting and at any adjournment thereof. The solicitation will be by mail. Proxies may also be solicited personally by regular employees of the Corporation. The Corporation does not reimburse shareholders, nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy. No solicitation will be made by agents. The cost of solicitation will be borne by the Corporation.

GENERAL PROXY INFORMATION

Appointment of Proxyholder

A duly completed form of proxy will constitute the persons named in the enclosed form of proxy as the shareholder’s proxyholder. The persons whose names are printed in the enclosed form of proxy for the Meeting are officers or directors of the Corporation (the “**Management Proxyholders**”).

A shareholder has the right to appoint a person other than a Management Proxyholder to represent the shareholder at the Meeting by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

Voting By Proxy

Common Shares represented by properly executed proxies in the accompanying form will be voted or withheld from voting on each respective matter in accordance with the instructions of the shareholder on any ballot that may be called for and, if the shareholder has specified a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a shareholder as proxyholder, such person will vote in favour of the matters proposed by management at the Meeting and for all other matters proposed by management at the Meeting.

The enclosed form of proxy confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed forms of proxy must be deposited at the office of the Corporation’s registrar and transfer agent, Computershare Investor Services Inc. (the “**Transfer Agent**”), Attention: Proxy Department, 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment thereof, unless the chairman of the Meeting elects to exercise his discretion to accept proxies deposited subsequently.

Non-Registered Shareholders

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an Intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans, or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (CDS)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “NOBOs”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as “OBOs”.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators (“**NI 54-101**”), the Corporation has elected to send the Notice of Meeting and this Information Circular (collectively, the “**Meeting Materials**”) directly to the NOBOs, and indirectly through intermediaries to the OBOs. The Corporation is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting.

The intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. Intermediaries will frequently use service companies to forward the Meeting Materials to the OBOs. Generally, an OBO who has not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the OBO and must be completed, but not signed, by the OBO and deposited with Computershare Investor Services Inc.; or
- (b) more typically, be given a voting instruction form (“**VIF**”) which is not signed by the intermediary, and which, when properly completed and signed by the OBO and returned to the intermediary or its service company, will constitute voting instructions which the intermediary must follow.

The Corporation will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the Meeting Materials and related documents. Accordingly, an OBO will not receive copies of the Meeting Materials and related documents unless the OBO’s Intermediary assumes the costs of delivery.

The Meeting Materials are being sent to both registered shareholders of the Corporation and Non-Registered Holders. If you are a Non-Registered Holder, and the Corporation or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Meeting Materials sent to NOBOs who have not waived the right to receive meeting materials are accompanied by a VIF, instead of a Proxy form. By returning the VIF in accordance with the instructions noted on it, a NOBO is able to instruct the voting of the Common Shares owned by the NOBO.

VIFs, whether provided by the Corporation or by an intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on the Non-Registered Holder's behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder, or the Non-Registered Holder's nominee, the right to attend and vote at the Meeting.

Non-Registered Holders should return their voting instructions as specified in the VIF sent to them. Non-Registered Holders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

Although Non-Registered Holders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Non-Registered Holder may attend the Meeting as a proxyholder for a registered shareholder and vote Common Shares in that capacity. Non-Registered Holders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

Revocability of Proxy

A registered shareholder who has given a proxy may revoke it by a duly signed instrument in writing that is (a) received at the registered office of the Corporation at any time up to and including the last business day before the day set for the holding of the Meeting, or (b) provided at the Meeting to the chair of the Meeting before any vote in respect of which the proxy is to be used shall have been taken, or in any other manner provided by law.

NOBOs who wish to revoke their voting instructions should contact Computershare Investor Services Inc. at telephone number 1-800-564-6253. OBOs who wish to revoke a voting instruction form or a waiver of the right to receive proxy-related materials should contact their Intermediaries for instruction.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Only Common Shares carry voting rights at the Meeting with each Common Share carrying the right to one vote. The board of directors of the Corporation (the "**Board of Directors**" or "**Board**") has fixed February 21, 2023 as the record date for the determination of shareholders entitled to receive notice of and to vote at the Meeting and at any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at the Meeting. As at February 21, 2023, 49,746,943 Common Shares were issued and outstanding as fully paid and non-assessable.

To the knowledge of the directors and senior officers of the Corporation, there are no persons or companies who beneficially own, directly or indirectly, or exercise control or direction over Common Shares carrying more than 10% of the voting rights attached to all outstanding shares of the Corporation.

VOTES NECESSARY TO PASS RESOLUTIONS AT THE MEETING

Under the Corporation's Articles, the quorum for the transaction of business at the Meeting consists of two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the outstanding Common Shares. A simple majority of the votes cast at the Meeting (in person or by proxy) is required in order to pass the resolutions referred to in the accompanying Notice of Meeting.

ELECTION OF DIRECTORS

The Corporation has six (6) directors as of the Record Date. At the Meeting, shareholders will be asked to fix the number of directors at five (5) and to elect five (5) directors. The persons named below are the five (5) nominees of management for election as directors, all of whom are current directors of the Corporation. Each director elected will hold office until the next annual general meeting or until the director's successor is elected or appointed unless the director's office is earlier vacated under any of the relevant provisions of the Articles of the Corporation or the *Business Corporations Act* (British Columbia). It is the intention of the persons named as proxyholders in the enclosed Proxy form to vote for the election to the Board of Directors of those persons hereinafter designated as nominees for election as directors. The Board of Directors does not contemplate that any of such nominees will be unable to serve as a director; however, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, **proxies in favour of management designees will be voted for another nominee in their discretion unless the shareholder has specified in such shareholder's Proxy that such shareholder's Common Shares are to be withheld from voting in the election of directors.**

The following table sets out the name of each of the persons proposed to be nominated for election as a director; all positions and offices in the Corporation presently held by the nominee; the nominee's principal occupation or employment presently and during the last five years; the period during which the nominee has served as a director; and the number of Common Shares of the Corporation that the nominee has advised are beneficially owned by the nominee, directly or indirectly, or over which control or direction is exercised, as of February 21, 2023.

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Except as described below, none of the proposed directors is, as at the date of this Information Circular, or has been, within the ten years preceding the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Corporation) that

- (a) was subject to a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days (collectively, an “**Order**”), when such Order was issued while the person was acting in the capacity of a director, chief executive officer or chief financial officer of the relevant company; or
- (b) was subject to an Order that was issued after such person ceased to be a director, chief executive officer or chief financial officer of the relevant company, and which resulted from an event that occurred while the person was acting in the capacity of a director, chief executive officer or chief financial officer of the relevant company.

The Company, and therefore all of Officers and Directors in office at the time, were subject to a cease trade order issued by the British Columbia Securities Commission (BCSC) on March 8, 2021 for failure to file the required financial statements (FFCTO). The order was revoked December 23, 2021. The Company was also subject to a cease trade order issued by the BCSC on June 11, 2018 for not filing a technical report completed in accordance with National Instrument 43-101. Such order was revoked December 8, 2018.

Stephen Pearce is a director of Flying A Petroleum which is subject to a cease trade order from the BCSC on January 2, 2015 for failure to file the required financial statements. The order is still in effect. Previously, Flying A Petroleum was subject to cease trade orders October 2, 2012 to October 3, 2021, and July 31, 2021 to September 14, 2012.

No proposed director is, as at the date of this Information Circular, or has been, within the ten years preceding the date of this Information Circular, a director or executive officer of any company (including the Corporation) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

No proposed director has, within the ten years preceding the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that person.

Except as described below, no proposed director has been subject to (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Stephen Pearce was a director and Chief Financial Officer of Wildflower Brands Inc. (“Wildflower”) when on October 29, 2019 the BCSC granted Wildflower a management cease trade order (“MCTO”) under National Policy 12-203 Management Cease Trade Orders (“NP 12-203”). Pursuant to the MCTO, the Chief Executive Officer and Chief Financial Officer may not trade in securities of the Company until such time as the Company files its annual audited financial statements for the year ended June 30, 2019. The MCTO was revoked on December 23, 2019 when Wildflower filed its financial statements. Wildflower was issued a cease trade order on February 3, 2021 for failure to file the company’s audited financial statements. This cease trade order is still in effect as of the date hereof.

 - (iv) each individual who would be an NEO under paragraph (iii) but for the fact that the individual was neither an executive officer of the Corporation or its subsidiaries, nor acting in a similar capacity, at the end of that financial year.

Named Executive Officers

During the fiscal year ended October 31, 2022, the Issuer had three (3) Named Executive Officers, namely:

- a. W. Adrien Bakker, Chief Executive Officer of the Issuer to March 11, 2022.
- b. Paul McGuigan, Chief Executive Officer of the Issuer, appointed March 11, 2022.
- c. Stephen Pearce, Chief Financial Officer of the Issuer since August 30, 2013.

Compensation Discussion and Analysis

In determining executive compensation, the Corporation has relied solely on Board of Directors discussion without any formal objectives, criteria and analysis. The Board of Directors on October 25, 2022 established a Governance and Compensation Committee to recommend the compensation for the Corporation’s directors and executive officers. The Board of Directors has not retained any compensation consultant since the completion of its last financial year to assist the Board of Directors in determining compensation for any of the Corporation’s directors or executive officers.

The Corporation's executive compensation program is comprised of base salary, annual cash bonuses, indirect compensation (benefits) and long-term incentives in the form of stock options. The Corporation’s executive compensation practices are designed to attract and retain talented personnel capable of achieving the Corporation’s objectives. The Corporation also utilizes compensation programs to motivate and reward the Corporation’s executives for the ultimate achievement of the Corporation’s goals. The Corporation makes use of complementary short-term and long-term incentive programs intended to provide fair, competitive and motivational rewards in the short-term while ensuring that executive’s long-term objectives remain aligned with those of the shareholders.

The base salaries for all executives are paid within salary ranges established by the Board of Directors for each position based on scope and level of responsibility. Individual salaries within the range are determined by that executive’s competence, skill level, and experience and market influences. Annual cash bonuses may be given based on subjective criteria, including the Corporation’s ability to pay such bonuses, individual performance, the executive’s contributions to achieving the Corporation's objectives, and other competitive considerations.

Neither the Board of Directors, nor any committee of the Board of Directors, has considered the implications of the risks associated with the Corporation’s compensation policies and practices.

No NEO or director of the Corporation is permitted to purchase financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Option-Based Awards

Stock options are granted pursuant to the Corporation’s Stock Option Plan (the “**Plan**”) to provide an incentive to the directors, officers, employees and consultants of the Corporation to achieve the longer-term objectives of the Corporation; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Corporation; and to attract and retain persons of experience and ability, by providing them with the opportunity to acquire an increased proprietary interest in the Corporation. Previous grants of incentive stock options are taken into account when considering new grants.

Implementation of any new incentive stock option plan and amendments to the existing stock option plan are the responsibility of the Corporation's Board of Directors.

AUDIT COMMITTEE DISCLOSURE

The Charter of the Corporation's Audit Committee and the other information required to be disclosed by Form 52-110F2 is attached to this Information Circular as Schedule "A".

MANAGEMENT CONTRACTS

Other than as disclosed herein, no management functions of the Corporation are to any substantial degree performed by a person other than the directors or executive officers of the Corporation.

CORPORATE GOVERNANCE

The following description of the corporate governance practices of the Corporation is provided further to National Instrument 58-101 on "Disclosure of Corporate Governance Practices" ("**NI 58-101**") and the disclosure prescribed for "Venture Issuers" such as the Corporation.

Board of Directors

The Board of Directors of the Corporation facilitates its exercise of independent supervision over the Corporation's management through frequent meetings of the Board. The Board of Directors currently consists of six directors.

John Hewlett, director of the Company as of the Record Date, is "independent" in that he is independent and free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the directors' ability to act with the best interests of the Company, other than the interests and relationships arising from shareholdings and consulting fees.

Ian Mallory, is not considered "independent" due to the fact that he is Executive Chairman of the Board, Paul McGuigan is not considered "independent" due to the fact that he is the President and CEO of the Company, and Stephen Pearce is not considered "independent" due to the fact that he is the CFO of the Company. Gilles Champagne and Gilled Dupuis are not considered "independent" due to the fact that they are both paid consultants to the Company.

Directorships

Certain of the directors are also directors of other reporting issuers, as follows:

Name of Director	Reporting Issuer
Stephen Pearce	Flying A Petroleum Ltd., Golden Goliath Resources Ltd., Sitka Gold Corp. and Wildflower Brands Inc.

Orientation and Continuing Education

The Board of Directors of the Corporation briefs all new directors with the policies of the Board of Directors and other relevant corporate and business information. The Board has not currently established criteria for the continuing education of directors.

Ethical Business Conduct

The Board of Directors has not adopted a formal written code of ethics. The Board expects that fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law, as well as provisions under corporate legislation for required disclosures by directors and officers to the Corporation of transactions with the Corporation in which they may have an interest and of any other conflicts of duties and interests, are sufficient to ensure that these persons conduct themselves in the best interests of the Corporation.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Corporation or an affiliate of the Corporation, (ii) is for indemnity or insurance for the benefit of the director in connection with the Corporation, or (iii) is with an affiliate of the Corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Corporation at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Corporation for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Corporation and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board of Directors is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required, shown support for the Corporation's mission and strategic objectives, and a willingness to serve.

Compensation

The Board of Directors as a whole conducts reviews with regard to directors' compensation and executive compensation (including for the CEO) once a year. To make its recommendation on directors' and executive compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors and executives of comparable publicly traded Canadian companies.

Other Board Committees

The current standing committees of the Board of Directors are the Audit Committee and the Governance and Compensation Committee.

Assessments

The Board of Directors monitors the adequacy of information given to directors, communication between the board and management, and the strategic direction and processes of the Board and its committees to help ensure that the Board, its committees and individual directors are performing effectively.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Approval and Ratification of 10% Rolling Stock Option Plan

The Company currently has a 10% Rolling Stock Option Plan (the "Plan"), which was last approved by the shareholders of the Company in September 2018. The number of common shares which may be issued pursuant to options previously granted and those granted under the Plan is a maximum of 10% of the issued and outstanding common shares at the time of the grant. In addition, the number of shares which may be reserved for issuance to any one individual may not exceed 5% of the issued shares on a yearly basis or 2% if the optionee is engaged in investor relations activities nor is a consultant. Under Exchange policy, all such rolling stock option plans which set the number of common shares issuable under the plan at a maximum of 10% of the issued and outstanding common shares must be approved and ratified by shareholders on an annual basis.

Therefore, at the Meeting, shareholders will be asked to pass a resolution in the following form:

"UPON MOTION IT WAS RESOLVED that the Company approve and ratify, subject to regulatory approval, the Plan pursuant to which the directors may, from time to time, authorize the issuance of options to directors, officers, employees and consultants of the Company and its subsidiaries to a maximum of 10% of the issued and outstanding common shares at the time of the grant, with a maximum of 5% of the Company's issued and outstanding shares being reserved to any one person on a yearly basis."

The purpose of the Plan is to allow the Company to grant options to directors, officers, employees and consultants, as additional compensation, and as an opportunity to participate in the success of the Company. The granting of such options is intended to align the interests of such persons with that of the shareholders. Options will be exercisable over periods of up to five years as determined by the Board of Directors of the Company and are required to have an exercise price no less than the closing market price of the Company's shares prevailing on the day that the option is granted less a discount of up to 25%, the amount of the discount varying with market price in accordance with the policies of the Exchange. Pursuant to the Plan, the Board of Directors may from time to time authorize the issue of options to directors, officers, employees and consultants of the Company and its subsidiaries or employees of companies providing management or consulting services to the Company or its subsidiaries. The Plan contains no vesting requirements but permits the Board of Directors to specify a vesting schedule in its discretion. The Plan provides that if a change of control, as defined therein, occurs, all shares subject to option shall immediately become vested and may thereupon be exercised in whole or in part by the option holder.

For the purposes hereof, an "insider" is a director or senior officer of the Company, a director or senior officer of a company that is itself an insider or subsidiary of the Company, or a person whose control, or direct or indirect beneficial ownership, or a combination thereof, over securities of the Company extends to securities carrying more than 10% of the voting rights attached to all the Company's outstanding voting securities.

The amended Plan is also subject to approval by the TSX Venture Exchange.

If named as proxy holder, on any ballot, the management designees of VanadiumCorp named in the Proxy intend to vote the shares represented by each Proxy in respect of which they have been named proxy holder "FOR" the approval of the cancelling and re-issuance of the insider stock options, unless such Proxy specifies that the proxy holder is to vote "AGAINST" such resolutions.

OTHER MATTERS

Management of the Company is not aware of any other matters to come before the Meeting other than as set forth in the Notice of the Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed Proxy form to vote the Common Shares represented thereby in accordance with their best judgment on such matter.
