Rubrik Unveils Plan for a New State-of-the-Art Office in Bangalore

2025-01-08

New facility to fuel innovation and ongoing effort to recruit from India's top universities

BANGALORE, India--(BUSINESS WIRE)-- As part of its expansion plans in India, **Rubrik** (NYSE: RBRK), a cybersecurity company, today announces plans for a new office space in Bangalore to open in mid-2025. The new facility will combine product development, product management, customer support, and global recovery operations under one roof. Rubrik is committed to hiring talent from top universities in India as part of the expansion. Since 2017, many of the World Finalists in the prestigious ICPC **International Collegiate Programming Contest** have chosen to join Rubrik from their graduating class.

"India is in the midst of a massive digital transformation, and we believe there's a huge opportunity for Rubrik to help secure its digital future," said Bipul Sinha, CEO, chairman, and co-founder of Rubrik. "By investing in top engineering talent, we believe we will continue to create innovative solutions that enhance Rubrik's portfolio and support our global growth. Our new state-of-the-art facility will help meet these future plans."

Rubrik's journey in India began in 2017 with the opening of its first office in Bangalore, making India one of the key early markets in the APAC region. In 2019, Rubrik launched its state-of-the-art R&D centre in Bangalore, which now serves as a hub for data security and ransomware recovery innovation. In addition, the company has active sales and presales teams in Delhi, Mumbai, and Bangalore.

Since October 2024, India has more than **941 million** internet subscribers.

"As data grows, so do AI-driven cyber threats, pushing organizations to innovate. The rise of agentic AI presents immense opportunities, especially for scaling AI on cloud platforms. India is a critical growth market for us, and to reflect its importance we're also innovating in operations and support to enable our customers' success," Sinha added.

Rubrik's new office in Bangalore is being thoughtfully designed to prioritize the employees' comfort, wellness, and engagement - including:

- Connectivity: Seamlessly connected to the Bangalore Metro for convenient access.
- Fitness and Wellness: A fully equipped gym, changing rooms, showers, all-gender restrooms/showers, a wellness center, a mother's room, nap rooms, and a meditation room.
- Recreation and Entertainment: An entertainment lounge with a working café, pool tables, table tennis, and foosball.
- Culinary Services: A cafeteria and kitchen will serve 1,500 meals daily.
- In-house Barista: A dedicated coffee bar will help to keep everyone energized.

About Rubrik

Rubrik (NYSE: RBRK) is on a mission to secure the world's data. With Zero Trust Data Security™, we help organizations achieve business resilience against cyberattacks, malicious insiders, and operational disruptions. Rubrik Security Cloud, powered by machine learning, secures data across enterprise, cloud, and SaaS applications. We help organizations uphold data integrity, deliver data availability that withstands adverse conditions, continuously monitor data risks and threats, and restore businesses with their data when infrastructure is attacked.
