

NEWS RELEASE

Terex to Present at Citi's 2022 Global Industrial Tech and Mobility Conference

2/15/2022

NORWALK, Conn., Feb. 15, 2022 /PRNewswire/ -- Terex Corporation (NYSE: TEX) announced today that company leadership will participate in a fireside chat at Citi's 2022 Global Industrial Tech and Mobility Conference. They will speak at 3:30 PM ET on Wednesday, February 23, 2022.

The live webcast will be accessible on the Terex Investor Relations website at <https://investors.terex.com>.

About Terex

Terex is a global manufacturer of aerial work platforms and materials processing machinery. We design, build and support products used in construction, maintenance, manufacturing, energy, minerals and materials management applications. Terex products and solutions enable customers to reduce their environmental impact including electric and hybrid offerings that deliver quiet and emission-free performance, products that support renewable energy, and products that aid in the recovery of useful materials from various types of waste. Our products are manufactured in North America, Europe, Australia and Asia and sold worldwide. We engage with customers through all stages of the product life cycle, from initial specification and financing to parts and service support.
