

NEWS RELEASE

Terex to Present at Several Industrial Investor Conferences in June

6/1/2023

NORWALK, Conn., June 1, 2023 /PRNewswire/ -- Terex Corporation (NYSE: TEX) announced today that company leadership will participate in fireside chats at several industrial investor conferences in June, including the Stifel 2023 Cross Sector Insight Conference, the Deutsche Bank Global Industrials, Materials & Building Products Conference and the Wells Fargo 2023 Industrials Conference.

Stifel 2023 Cross Sector Insight Conference

Tuesday, June 6th at 10:55 AM ET

Deutsche Bank Global Industrials, Materials & Building Products Conference

Wednesday, June 7th at 2:40 PM ET

Wells Fargo 2023 Industrials Conference

Wednesday, June 14th at 10:30 AM ET

The live webcasts will be accessible on the Terex Investor Relations website at <https://investors.terex.com>.

About Terex

Terex Corporation is a global manufacturer of materials processing machinery and aerial work platforms. We design, build and support products used in construction, maintenance, manufacturing, energy, recycling, minerals and materials management applications. Certain Terex products and solutions enable customers to reduce their impact on the environment including electric and hybrid offerings that deliver quiet and emission-free performance, products that support renewable energy, and products that aid in the recovery of useful materials

from various types of waste. Our products are manufactured in North America, Europe, Australia and Asia and sold worldwide. We engage with customers through all stages of the product life cycle, from initial specification to parts and service support.
