2025-10-27

Energy Vault will release its third quarter 2025 earnings results followed by a conference call on November 10, 2025 at 4:30 p.m. ET

WESTLAKE VILLAGE, Calif.--(BUSINESS WIRE)-- Energy Vault Holdings Inc. (NYSE: NRGV) ("Energy Vault" or the "Company"), a leader in sustainable, grid-scale energy storage solutions, reminds investors that the Company will be hosting a virtual Investor and Analyst Day on Wednesday, October 29, 2025, at 1:00 p.m. ET. To register for the virtual event please go to the link [here](#). A webcast replay will be available two hours following the live presentation and will be accessible for 90 days.

Energy Vault will also release its earnings results for the third quarter ended September 30, 2025 on Monday, November 10, 2025, followed by a conference call at 4:30 p.m. ET.

Investor & Analyst Day Overview

The event will showcase presentations from Energy Vault's senior leadership, featuring Chairman and CEO Robert Piconi, alongside Chief Financial Officer, Michael Beer. The executive team will offer insights on Asset Vault, Energy Vault's wholly owned subsidiary focused on the global development, construction, ownership, and operation of energy storage assets. The management team will also discuss strategic growth plans as the Company leverages Asset Vault to build and manage an expanding portfolio of contracted and operational storage projects.

Recently launched with the backing of a \$300 million preferred equity investment from Orion Infrastructure Capital

("OIC"), Asset Vault creates a vertically integrated ecosystem that captures value across the entire energy storage lifecycle. The platform combines Energy Vault's proven operational expertise with long-term asset ownership to generate predictable, recurring and high-margin cash flows. With the launch of Asset Vault, Energy Vault is positioned to accelerate deployment of +1.5GW in attractive priority markets and upper-tier IRR projects.
