NEWS RELEASE

PublicSquare to Power Payments for Aero Precision's Firearms Products, Parts, and Accessories Sales; Expands Existing Credit Relationship Into Full Payments Partnership

2025-12-09

WEST PALM BEACH, Fla.--(BUSINESS WIRE)-- PSQ Holdings, Inc. (NYSE: PSQH) ("PublicSquare" or the "Company"), a leading provider of values-aligned commerce and payments infrastructure, today announced an expanded partnership with Aero Precision ("Aero"), a premier manufacturer and retailer of firearms, mil-spec AR-style parts, components, bolt rifles, suppressors, and accessories. Aero, already a Credova credit customer, will now integrate PublicSquare's enterprise-grade payments and financing platform across its e-commerce operations.

Building on Aero Precision's early adoption of Credova's embedded credit solutions, the company will now deploy PublicSquare Payments. This full-service integration of PublicSquare's offerings will enable end-to-end checkout support, credit, as well as payment processing, and financing for Aero Precision's full catalog of receivers, handguards, barrels, upper assemblies, lower parts, and complete rifles. Pairing Credova's existing credit products with PSQ Payment's upgraded payments stack gives Aero a unified, streamlined financial infrastructure designed for scale, security, and reliability.

"Aero Precision has already seen the value of Credova's embedded credit solutions, and we're thrilled to expand that relationship into a full payments partnership," said Michael Seifert, Chairman and CEO of PublicSquare. "By integrating PSQ Payment's enterprise-grade infrastructure, Aero can offer its customers a seamless and secure checkout experience backed by a values-aligned, cancel-proof platform."

Aero Precision, widely recognized for precision-engineered AR components trusted by builders and enthusiasts nationwide, will leverage PublicSquare's solutions to modernize and fortify its transaction processing while

maintaining its long-standing commitment to quality and customer trust. This expanded relationship reinforces both companies' dedication to supporting merchants and consumers with dependable, principle-aligned financial tools.

About PSQ Payments

PSQ Payments, developed by PublicSquare, is a fully cancel-proof payment platform designed to provide businesses and consumers with uncompromising security and reliability. Leveraging advanced tokenization and secure wallet technology, PSQ Payments ensures that sensitive transactional data remains encrypted and protected. With a redundancy system in place, PSQ Payments reinforces its commitment to stability, making it a trusted solution for business owners who want to ensure their economic liberty is protected in every transaction.

About PublicSquare

PublicSquare (NYSE: PSQH) is a financial technology company committed to protecting life, family, and liberty through values-driven innovation. PublicSquare is building an ecosystem of financial solutions that provide consumers and businesses with "cancel-proof" alternatives in today's economy.
