The J.M. Smucker Co. Issues 2023 Corporate Impact Report Detailing Progress on its Thriving Together Agenda

9/29/2023

ORRVILLE, Ohio, Sept. 29, 2023 /PRNewswire/ -- The J.M. Smucker Co. (NYSE: SJM) today issued its **2023 Corporate Impact Report**, including its disclosures in alignment with the recommendations of the Sustainability Accounting Standards Board and the Task Force on Climate-Related Financial Disclosures, detailing continued progress on its Thriving Together agenda.

The Company's Thriving Together agenda is inspired by its Purpose (Feeding Connections That Help Us Thrive – Life Tastes Better Together) and focused on maximizing impact in the spaces of quality food availability, access to education, making connections to necessary community resources, promoting equitable and ethical treatment for all and supporting a healthier planet.

Notable examples of how the Company delivered on its Purpose and Thriving Together agenda this past year include:

- Donated more than \$1.5 million to key partners, including Feeding America, Greater Good – Rescue Bank, United Way and Red Cross, to address the needs of those in communities where the Company has a presence;
- Continued to support smallholder coffee farmers in key regions via partnerships with World Coffee Research, Hanns R. Neumann Stiftung (HRNS), TechnoServe, the U.S. Department of Agriculture (USDA) and Enveritas;

- Furthered the expansion of the Company's inclusion, diversity and equity (ID&E) aspirations into its operations facilities through the establishment of an Operations Steering Committee, and through the introduction of Leading Inclusively Training – a required multi-day training program for people managers designed to enhance resonant and inclusive leadership capabilities; and
- Was named a Green Power Partner by the Environmental Protection Agency (EPA) as a result of the Company's ongoing work, including our expanded virtual power purchase agreement with Plum Creek Wind Farm in collaboration with Ørsted and Schneider Electric, to match our grid electricity use with renewable energy certificates.

"I am proud that our organization, employees and partners remain steadfastly committed to supporting all those who count on our business. Reflecting on the past year, I am humbled by the positive impact we have made together," said Mark Smucker, Chair of the Board, President and Chief Executive Officer. "The issuance of our Corporate Impact Report gives us an opportunity to highlight this work while keeping our constituents informed of the progress we have made toward our established goals. I appreciate all those who have helped us deliver on our Purpose and Thriving Together agenda and whose passion will help us make continued strides forward."
