NEWS RELEASE

The J.M. Smucker Co. Releases 2022 Corporate Impact Report

9/9/2022

ORRVILLE, Ohio, Sept. 9, 2022 /PRNewswire/ -- The J.M. Smucker Co. (NYSE: SJM) today issued its **2022 Corporate Impact Report, including its Environmental, Social and Governance (ESG) Disclosure Report**, detailing its commitment to responsible business practices and continued progress on its Thriving Together agenda.

The Company's Thriving Together agenda centers on five key pillars: ensuring access to quality food, aiding access to education, promoting equitable and ethical treatment for all, making connections to necessary community resources and ensuring a healthier planet.

This agenda came to life in many important ways this past fiscal year. Some notable highlights include:

- Supported delivery of more than 23 million meals to people and pets in need
- Acted as a founding sponsor of Opening Track, a unique music education program from Boys and Girls Clubs of Northeast Ohio
- Donated more than \$1.2 million to the Red Cross and United Way to support the unique needs of communities across North America
- Launched initial Employee Resource Groups to support marginalized communities, promote a spirit of community and foster allyship
- Worked with a number of external conservation partners, including World Wildlife Fund, Pollinator Partnership and National Fish and Wildlife Foundation, to conserve resources, restore biodiversity and

promote healthier ecosystems

The Company recognizes its responsibility to support all constituents and provide updates on progress made toward its ESG goals.

"We have high expectations for the important role we must play in support of our communities and planet, and recognize our stakeholders share in our passion," said Mark Smucker, Chair of the Board, President and Chief Executive Officer. "Our Corporate Impact Report and ESG disclosure are opportunities to keep these engaged constituents informed while also sharing our sincere appreciation to our employees and partners who helped us deliver these results."
