William Blair Growth Stock Conference

June 9, 2009

Richard Smucker

Executive Chairman and Co-CEO

SMUCKER'S

Forward Looking Statement

This presentation contains forward-looking statements, such as projected operating results, earnings and cash flows, that are subject to known and unknown risks and uncertainties that could cause actual results to differ materially from any future results, performance or achievements expressed or implied by those forward-looking statements. You should understand that the risks, uncertainties, factors and assumptions listed and discussed in this presentation, including the following important factors and assumptions, could affect the future results of Smucker and could cause actual results to differ materially from those expressed in the forward-looking statements: (i) volatility of commodity markets from which raw materials are procured and the related impact on costs; (ii) the successful completion of the integration of the coffee business with Smucker's business, operations and culture and the ability to realize synergies and other potential benefits of the merger within the time frames currently contemplated; (iii) crude oil price trends and their impact on transportation, energy, and packaging costs; (iv) the ability to successfully implement price changes; (v) the success and cost of introducing new products and the competitive response; (vi) the success and cost of marketing and sales programs and strategies intended to promote growth; (vii) general competitive activity in the market, including competitors' pricing practices and promotional spending levels; (viii) the impact of food safety concerns, involving either the Company or its competitors' products (ix) the concentration of certain of Smucker's businesses with key customers and suppliers and the ability to manage and maintain key relationships; (x) the loss of significant customers or a substantial reduction in orders from these customers or the bankruptcy of any such customer; (xi) changes in consumer coffee preferences, and other factors affecting the coffee business, which represents a substantial portion of Smucker's business; (xii) the ability of Smucker to obtain any required financing; (xiii) the timing and amount of Smucker's capital expenditures, restructuring, and merger and integration costs; (xiv) the outcome of current and future tax examinations, changes in tax laws, and other tax matters; (xv) foreign currency and interest rate fluctuations; (xvi) political or economic disruption due to the global credit crisis; (xvii) other factors affecting share prices and capital markets generally; and (xviii) the other factors described under "Risk Factors" in reports and statements filed by Smucker with the Securities and Exchange Commission, including its most recent Annual Report on Form 10-K, Quarterly Report on Form 10-Q, and the proxy materials prepared in connection with the Folgers transaction.

You are cautioned not to unduly rely on such forward-looking statements, which speak only as of the date made, when evaluating the information presented in this presentation. Smucker does not assume any obligation to update or revise these forward-looking statements to reflect new events or circumstances.
