## About Global Partners LP

With approximately 1,700 locations primarily in the Northeast, Global Partners is one of the region's largest independent owners, suppliers and operators of gasoline stations and convenience stores. Global also owns, controls or has access to a large terminal network—with strategic rail, pipeline and marine assets—spanning from Maine to Florida and into the U.S. Gulf, through which it distributes gasoline, distillates, residual oil and renewable fuels to wholesalers, retailers and commercial customers. In addition, Global engages in the transportation of petroleum products and renewable fuels by rail from the mid-continental U.S. and Canada. Global, a master limited partnership, trades on the New York Stock Exchange under the ticker symbol "GLP." For additional information, visit [www.globalp.com](http://www.globalp.com).
