BIRMINGHAM, Ala., Feb. 5, 2025 /PRNewswire/ -- Encompass Health Corp. (NYSE: EHC), the nation's largest owner and operator of inpatient rehabilitation hospitals, today announced it has been named to Fortune's World's Most Admired Companies list for 2025.

"Receiving this prestigious recognition for five consecutive years is a testament to the exceptional care our clinicians provide and the trust we continue to build with our patients, partners and investors," said Mark Tarr, president and chief executive officer of Encompass Health. "We are committed to achieving the best outcomes for our patients and helping them get back to what matters most following an illness or injury. We look forward to continuing to expand our presence across the country to positively impact more patients and communities."

Fortune collaborated with Korn Ferry on the corporate reputation survey. The initial list of candidates includes the 1,000 largest U.S. companies ranked by revenue, as well as non-U.S. companies in Fortune's Global 500 database that have revenues of \$10 billion or more. The listing is further narrowed to the highest-revenue companies in each industry, a total of 650 in 30 countries.

To determine the best-regarded companies in 51 industries, Korn Ferry surveyed executives, directors and analysts to rate enterprises in their own industry on nine criteria, from investment value and quality of management and products to social responsibility and ability to attract talent. Companies with a score in the top half of each industry are named among the **World's Most Admired Companies**.
