

News Release

Encompass Health Rehabilitation Hospital of Concordville now open in Pennsylvania

2026-05-05

BIRMINGHAM, Ala. and GLEN MILLS, Pa., May 5, 2026 /PRNewswire/ -- Today, Encompass Health, the nation's largest owner and operator of inpatient rehabilitation hospitals, announced the opening of Encompass Health Rehabilitation Hospital of Concordville in Concord Township in Delaware County, Pennsylvania. The 50-bed inpatient rehabilitation hospital is now accepting patients.

The more than 66,000-square-foot, two-story, freestanding hospital provides essential rehabilitation services that help patients recovering from strokes, brain injuries, spinal cord injuries, amputations and complex orthopedic conditions regain functional ability, independence and quality of life. Patients receive a minimum of three hours of intensive physical, occupational and/or speech therapy five days each week, as well as frequent physician visits and 24-hour nursing care. An interdisciplinary team of highly specialized nurses, therapists and physicians create customized treatment plans to meet each patient's unique recovery goals.

"We are excited to open Encompass Health Concordville, bringing comprehensive rehabilitation care closer to home for patients in the community," said Mat Gooch, president of Encompass Health's Northeast region. "Our dedicated team of clinicians looks forward to making a meaningful difference in patients' lives through personalized rehabilitation that improves both function and quality of life."

Designed with patients' needs in mind, the hospital will offer a range of amenities, including all private patient rooms; two state-of-the-art therapy gyms equipped with advanced rehabilitation technologies for all mobility levels; an activities of daily living suite with real-world simulated spaces; an in-house dialysis suite; a landscaped therapy courtyard with recreational areas; a dining room; an in-house pharmacy; and multiple dayroom areas.

Encompass Health Concordville is the Company's 10th location in Pennsylvania, with plans to open an additional

hospital in Lower Providence later this year.
